Dear Supervisors,

I am writing to urge you to all vote for the 3-cent property tax increase to support affordable housing. We are seeing a huge increase in people unable to afford housing, particularly because of basic greed and out-of-town owners of rental properties and Airbnbs.

The money generated could also be used to support programs that work to keep people housed and prevent/reduce homelessness. Please please vote to help alleviate our current crisis.

Thank you,
Sara Rusk
