NO tax increases. No new Bond. No sales tax increase. As a taxpayer, my housing has become unaffordable. How about becoming more fiscally responsible with the money the BoS already spends? Every step you take to affordable housing makes it more expensive for everyone. Before more money goes to this issue I want to see results. Not feeling results. \$\$ return on investment results. Since Covid housing crisis planning the costs have only gone up. Before Covid there was less government interference and prices were lower.
