

BOARD OF SUPERVISORS AGENDA ITEM SUMMARY

Requested Board Meeting Date: December 16, 2014 Addendum

ITEM SUMMARY, JUSTIFICATION &/or SPECIAL CONSIDERATIONS:

ASSIGNOR CONSENT BETWEEN: Pima County, a political subdivision of the State of Arizona and the Arizona Department of Transportation

The Arizona Department of Transportation (ADOT), in conjunction with Pima County and the Federal Highway Administration, are in the design phase of a project to widen the existing road right of way for State Route 86 (also known as Ajo Way) to two lanes in each direction from Valencia Road to Kinney Road (Project No. 086 PM 151 H6806 01R).

In June of 1982 and January of 1961, Pima County obtained Public Road Right of Way Grant Numbers AZA-017485 & AZAR 029680 from the Bureau of Land Management (BLM) for Irvington Road and Old Ajo Highway, which intersects the State Route 86 Project. This Assignor Consent is being provided to BLM for the assignment to ADOT of those portions of the Old Ajo Way and Irvington Road Right of Way Grants situated between the existing SR 86 road right of way line and the newly designed road right of way line. These right of way portions will be incorporated into the SR 86 Project. ADOT will assume the Grant obligations and maintenance responsibilities for this right of way portion.

This Assignor Consent has been reviewed and approved by appropriate County Staff.
