#### **Background**

On March 9, 2010, the Board of Supervisors approved the Award of Contract, Requisition No. 1000761, in the amount of \$9,579,689.00 to CRM of America, LLC, for loading, hauling, and disposing/ recycling of passenger, semi-truck, and off-road tires for Pima County utilizing a cooperative agreement established by Maricopa County. The award included an initial eight (8) year term and two (2) five (5) renewals.

This amendment is required to improve and reduce the replication of work and complexity involved with integrating the provision of overall services by Pima County and multiple suppliers by transferring these responsibilities from another Pima County supplier, Tucson Recycling & Waste Services, LLC, to CRM of America. Another BOS action to amend and delete these services from the Tucson Recycling & Waste Services, LLC contract is being processed simultaneously with this requested action.
