Addendum 1 Item #4 Update on Title 41 and Title 8: Please vote NO on keeping our southern border open by not taking federal funds for keeping illegals in our country. All of the Board of Supervisors took an oath to protect and defend We the People against all foreign and domestic enemies. We are being bombarded at our border with illegal immigrants who are bringing disease, their own culture, their own language, and nothing to contribute to our society. So which one of you, or possibly four of you, are taking money from the Cartels. Afterall, if the President of the United States is sex trafficking and giving foreign policies away to other countries for money, maybe we can assume the reason you do not protect the citizens of Pima County is because you also are profiting from this invasion.

Addendum 1 Item #6: When the governor of Arizona passed a law stating no more masks the Board of Supervisors took it upon themselves to have restaurants put up signs that masks were mandatory. I guess you feel you are more important and have more power than the State Legislature and the Governor of Arizona. Also, you made vaccines mandatory for county employees. How many died or got a bad side effect from taking the vaccine? You should definitely be held accountable for thinking you have more power than anyone else to control our lives by forcing mandates on the people who pay your salary. All but one of you should resign immediately. I guess the four of you do not have a conscience and could care less about your constituents well being. REMEMBER you work for us, we do not bend to you.
