Hi Tom-

Please continue the Board of Supervisor's hearing for the original monopalm proposal near the San Ignacio golf clubhouse to the December Board of Supervisor's meeting, so both proposals can be heard together.

Thanks-

Kim

Kim,

Here is the link to pay. <https://permits.pima.gov/acaproduct/>. The fee is base fee plus one public hearing. I did not charge the second public hearing fee, we will use the one from the rezoning case. Case number is P16CU00009.

Hi Jessica-

Thanks for your help today. I am copying Tom from Pima County because he will be interested in the hearing date as well. As we discussed, the Council Committee will select from 3 design choices so we need to schedule it as soon as possible to inform the staff review.

Many thanks-

Kim

Subject: San Ignacio Golf Course Tower Revised Application

Hi Tom-

Thank you for your patience and input on this revised application. Attached are the items you requested. I will follow up to see what you need by way of hard copies and fees.

Please note that the photosims are taken from 2 views: one from the road and one from the view of the nearest residential properties. The structures are small in the sims so I have asked for larger photos of the stealth designs used to create the photosims. I will provide them as soon as I receive them.

Also, per your suggestion, we prepared a generic tower elevation, which we will replace with a more detailed version of the stealth facility which is ultimately chosen.

Please do not hesitate to let me know what else you may need. I will call Ron Weaver tomorrow to schedule the Committee review.

Many thanks-

Kim
