My comment\ below is for the 6-20-23 Supervisors meeting

Item #73 Grant Food Shelter Food & Shelter HR23
\$19,291,181.45 (GTAW 23-154)

I request you attempt to apply common sense to all these additional millions going to support illegal immigrants invading our country and using our taxpayer funds to provide services benefitting their illegal activities. Isn't Aiding and Abetting the enemy a violation of the principles identified to support and defend our country and community? Yes I am sure it is common sense but then you have none. **VOTE NO**

God Bless America
