**\*Title:**

Donation of Surplus Property

**\*Introduction/Background:**

Pima County received an inquiry from the City of South Tucson regarding the availability of a County vehicle for donation.

**\*Discussion:**

City of South Tucson is in need of a vehicle to support the Housing and Community Development department. The vehicle would be utilized to support the Housing Choice Voucher Program, specifically providing reliable transportation for the initial and ongoing inspection of rental housing county wide.

**\*Conclusion:**

Fleet Services has identified a 2012 Hyundai Sonata suitable for donation. This vehicle has met it's useful life and is fully depreciated. Pima County vehicles that have met their useful life are determined to be surplus and are scheduled for auction through our contracted vendor.

**\*Recommendation:**

I am recommending this vehicle be donated to the City of South Tucson in lieu of auction. Donation of County surplus property requires unanimous approval from the Board of Supervisors.

**\*Fiscal Impact:**

RE: Surplus Vehicle Donation Request

Dear Mr. Ochotorena,

The City of South Tucson Housing Authority (STHA) is asking Pima County to consider donating a surplus vehicle to use for its public housing employees.

Presently, employees use their own vehicles to perform STHA business such as inspections, bank deposits, and frequent pick-up and delivery to South Tucson city hall. STHA recently entered into an IGA with the City of Tucson that will allow Housing Choice Voucher (HCV (section 8)) recipients the opportunity to find rental homes outside of the City of South Tucson boundaries. This vehicle would be utilized by the HCV program staff to perform initial and ongoing inspections county-wide.

While we are looking for additional funding for future vehicles, your donation will help us get through this period of transition and growth.

Sincerely,

Betty Villegas  
Housing & Community Development Director
