

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: 3/20/18

Title: Tucson January 8th Memorial Foundation Donation and Naming Agreement - The Raytheon Company

Introduction/Background:

On July 5, 2016, the Board of Supervisors approved Pima County's policy regarding naming of County facilities and programs to recognize grants and donations made to the County for the benefit of the community. On December 13, 2016, the Board of Supervisors approved the January 8th Memorial Funding agreement with Tucson's January 8th Memorial Foundation for the County to accept donations to be used for the design and construction of the January 8th Memorial. The January 8th Memorial will honor Congresswoman Gabrielle Giffords, the six lives lost, and the 13 others wounded during a "Congress On Your Corner" event. On March 21, 2017, the Board of Supervisors approved the naming opportunities plan submitted by the January 8th Memorial Foundation. The naming opportunities plan requires Board of Supervisors approval for naming agreements greater than \$50,000.

Discussion:

The Raytheon Company has donated \$250,000 to the Tucson's January 8th Memorial Foundation for the design and construction of the January 8th Memorial. The donation is to be paid by the donor immediately upon execution of this donation and naming agreement. Tucson's Memorial Foundation intends to pass the donation to the County to be used for the design and construction of the January 8th Memorial. If accepted by the County, the Raytheon Company's generous donation will be acknowledged by identifying Raytheon on the Memorial Bridge Gateway to the Pima County Visitor's Center.

Conclusion:

By approving this donation and naming agreement, the County will receive \$250,000 for the design and construction of the January 8th Memorial. The County will be able to acknowledge the Raytheon Company's generous donation by identifying the company on the Memorial Bridge Gateway to the Pima County Visitor's Center. The entire community benefits from this donation as it contributes to a memorial that invites a remembrance of those who actively participated in their government in pursuit of a better democracy as well as reflection on a community of people who came together to help one another rise above a tragic situation.

Recommendation:

Staff recommends the Board of Supervisors approve this donation and naming agreement.

Fiscal Impact:

\$250,000 will be available to fund the design and construction of the January 8th Memorial. Other donors may be encouraged to donate to the January 8th Memorial Foundation.

Tucson's January 8th Memorial Foundation Donation and Naming Agreement

This Donation and Naming Agreement ("Agreement"), effective on the date this Agreement is fully executed by all the parties, is entered into by and among **Raytheon Company** ("Donor"), **Tucson's January 8th Memorial Foundation, an Arizona nonprofit corporation** (the "Foundation"), and Pima County, a political subdivision of the State of Arizona (the "County").

RECITALS

- A. The County is in the process of renovating the County courthouse constructed in 1928 located at 115 N. Church Avenue, Tucson, Arizona (the "Historic County Courthouse").
- B. The Foundation has been collaborating with the County and the City of Tucson to develop a memorial (the "Memorial") in remembrance of the victims of the shooting that occurred in Tucson on January 8, 2011, to be located next to the Historic County Courthouse, primarily on land owned by the County, but including some land owned by the City of Tucson.
- C. The Foundation has prepared a preliminary design of the Memorial and wants the County to complete the design and construct the Memorial. The preliminary design (the "Concept Design") is attached to this Agreement as **Exhibit A**.
- D. The Foundation wishes to donate or to cause to be donated funds to the County to be used to complete the design and construct the Memorial.
- E. Donor has donated two-hundred and fifty thousand dollars \$250,000 (the "Donation") to the Foundation for the design and construction of the Memorial. Donor's donation was made with the understanding that the County will acknowledge that donation in accordance with Policy Number C3.19 of the Pima County Board of Supervisors as adopted on July 5, 2016 (the "Naming Policy").
- F. The Foundation wishes to pass Donor's donation through to the County, and the County desires to accept that donation, subject to the terms and conditions set forth in this Agreement.

AGREEMENT

1. **Payment of the Donation**. The Foundation will pay the Donation to the County in one payment immediately upon the execution of this Agreement.
2. **Use of the Donation**. The County will use the Donation to help pay for design and construction of the Memorial. If the County decides for any reason to not construct the Memorial as anticipated by this Agreement, the County will refund the Donation to Donor within ninety (90) days of such decision. Donor acknowledges that the Memorial is still in the design-development phase and acknowledges that final design and construction documents, which will be completed by the County, have not been started. During the preparation of the final design and construction documents, the County may alter the preliminary design as it deems appropriate to accommodate the construction of the Memorial at the proposed location while using reasonable efforts to keep the concept as shown in the Concept Design. Prior to approving the final design documents, the County will provide Donor an opportunity to review and provide feedback on the proposed final documents. Donor also acknowledges that nothing in this Agreement obligates the County

to expend any funds for the planning, design, or completion of the Memorial, other than funds contributed by the Foundation or others for that purpose.

3. **Acknowledgment**. In consideration for the Donation, and subject to the restrictions of the County's Naming Policy, the County will acknowledge the Donation by identifying Donor in the manner identified below for the following component of the Memorial (the "Naming") for a period of twenty (20) years:

Description of component to be named: Memorial Bridge Gateway to Pima County Visitor's Center.

Name to be identified for the component: Raytheon Company.

4. **Termination of the Naming**. In addition to any rights and remedies available at law, the County may terminate this Agreement and all rights and benefits of Donor hereunder, including terminating the Naming, if the Board of Supervisors (the "Board") determines in its reasonable and good faith discretion that circumstances have changed such that the Naming would adversely impact the reputation, image, mission, or integrity of the County, the Memorial, or the Foundation. Prior to terminating this Agreement or the Naming, the County will provide Donor sixty (60) days advance written notice and an opportunity to appeal the proposed termination in writing and in-person to the Board. Upon any such termination of this Agreement and/or the Naming, the Foundation and the County will have no further obligation or liability to Donor and, subject to Section 2 (Use of the Donation), will not be required to return any portion of the Donation already paid.
5. **Modification of the Naming**. The County reserves the right to modify, relocate, replace, or remove the Memorial if the Board determines that this is in the public's best interest, or if the Memorial is severely damaged by casualty. The Naming will cease if the Memorial is transferred or conveyed by the County to an agency or political subdivision of the State of Arizona or of the United States of America, or is closed, deconstructed, destroyed, or severely damaged, or is significantly renovated, significantly upgraded, significantly modified, relocated, or replaced. If the Memorial is conveyed to another governmental agency as described above, the County will use reasonable efforts to have the other governmental agency maintain the Naming for the remainder of the twenty (20) years. Prior to taking any action under this section that would affect the Naming, the County will provide Donor sixty (60) days advance written notice and an opportunity to appeal the proposed action in writing and in-person to the County and/or Board, as relevant.
6. **Publicity**. For purposes of publicizing the Donation and the Naming, County will have the right, without charge, to photograph representatives of Donor at the dedication and similar events for the Memorial, and use such likenesses and images of Donor (and names of relevant Donor personnel) in photographic, audiovisual, digital, or any other type of medium (the "Media Materials") and to use, reproduce, distribute, exhibit, and publish the Media Materials in any manner, including in brochures, website postings, informational and marketing materials, and reports and publications describing the County's activities.
7. **Notices**.
