I urge the BOS to put a stop to the covid dog and pony show and return the grant monies or reallocate those funds to deal with the homeless or other true public safety issues. The Covid 19 "pandemic" is over. Vaccines are largely ineffective and the same goes for face masks. If the BOS are so concerned about the dangers of Covid, why are you forcing tax payers to house illegal aliens with Covid 19 and many unvaccinated against legitimate illnesses like tuberculosis, measles etc?

Thank you for your attention to this matter.
