Subject: Pima Animal Care Center - Petco Foundation Grant Approval

Congratulations!

The Petco Foundation is thrilled to support the lifesaving work you do by granting your organization the amount of \$25,000. These funds are designated for lifesaving purpose(s) as generally outlined in your grant request for the May 2017 grant cycle. Funds will be distributed to you 2-4 weeks following receipt of this email notification. By endorsing and depositing the grant check, you represent and warrant that your organization will meet the obligations specified in the grant request. Please note that it is the intention of the Petco Foundation that funds donated shall not be appropriated to the general funds of the municipality, but rather must be utilized and become part of the funding of the animal control sheltering department.

RECOGNITION OF YOUR AWARD:

To support your organization as you publicize the grant we have included a link to our Partner Press Kit. Please use this toolkit – which includes our logo in various formats, brand guidelines, sample social media posts, a sample media alert, and a sample press release – to spread the word to your supporters and community about the lifesaving work you'll do with these funds.

The Petco Foundation makes investments in organizations to achieve our mutual objective of saving lives. Because we support organizations, not programs, the Foundation seeks to be recognized as an organizational supporter rather than the supporter or underwriter of a specific program. Any communication materials you create that mention the Petco Foundation or include our logo—with or without the use of this kit—must be reviewed and approved by our communications team before you share them publicly in any way. Please allow 7 to 10 business days for review. See additional notes at the bottom of this email regarding recognition of awards from the Petco Foundation.

Visit the Partners page on the Petco Foundation website to access the press kit at <https://www.petcofoundation.org/newsroom/media-kits/>
