

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: January 5, 2016

Title: Los Reales Road and Mission Road All-Way Stop Intersection Ordinance

Introduction/Background:

The San Xavier District of the Tohono O'odham Nation has requested all-way (multi-way) stop control at the Los Reales Road and Mission Road intersection based on a 2014 Pima County Traffic Signal Warrant Analysis.

Discussion:

Based on this 2014 Pima County Traffic Signal Warrant Analysis, a traffic signal is not warranted, but all-way stop control is justified at this intersection. The entering volumes of the intersection satisfy the volume and delay thresholds as well as the approach-volume split requirements. The Tohono O'odham Nation San Xavier District Council, through Resolution No. SXDC 10-15-07 supported the recommendation in a 5-0 vote.

Conclusion:

Based on analysis from the Pima County Traffic Engineering Division, and in concurrence with Resolution No. SXDC 10-15-07 of the San Xavier District Council of the Tohono O'odham Nation, intersection control is recommended to be modified at the intersection of Los Reales Road and Mission Road.

Recommendation:

Pima County Traffic Engineering recommends that the intersection of Los Reales Road and Mission Road be designated as an all-way stop intersection.

Fiscal Impact:

Minimal.
