**\*Contractor/Vendor Name/Grantor (DBA):**

Squire Patton Boggs (US) L.L.P.

**\*Project Title/Description:**

Bond Counsel

**\*Purpose:**

Contractor will continue to act as the County's bond counsel in connection with the issuance of GO Bonds, HURF Revenue Bonds, certificates-of-participation, and sewer obligations.

**\*Procurement Method:**

Legal services for pending or anticipated litigation are exempt under Procurement code 11.04.020.

**\*Program Goals/Predicted Outcomes:**

Contractor will continue to provide various types of assistance in connection with County bond issuances, including: allocation and coordination of the responsibilities of the issuance team, drafting and dissemination of the calendar of activities, advising County on estimating the timing of each issue, advising County on restrictions in any bond indentures and the maturity and interest-payment structures, assisting in the preparation, assembly, printing, and dissemination of the official statement and related documents, assisting in the procurement of bond ratings, advertising and dissemination of the Notice of Sale, insuring that all steps are properly followed in the issuance of the bonds, and coordinating the bond closing.

**\*Public Benefit:**

In order to issue bonds, the County must retain nationally recognized bond counsel to issue a bond opinion. Bond counsel also ensures that the County complies with the complex state and federal statutes applicable to bond issuances and post-issuance compliance, including federal tax regulations and securities regulations. The assistance of outside counsel is therefore necessary for the County to issue bonds. Because the attorneys at Squire Patton Boggs are familiar with the County's bond program, as well as other aspects of the County's financial operation, they are able to provide this assistance efficiently and effectively.

**\*Metrics Available to Measure Performance:**

Contractor will invoice County on a monthly basis unless a different billing period is set forth. County must receive invoices no more than 30 days after the end of the billing period in which Contractor delivered the invoiced products or services to County.

**\*Retroactive:**
