Honorable Pima County Supervisors:

I respectfully urge you to appoint Matt Kopec to the vacant seat in the Arizona House of Representatives for Legislative District 9. I have known Matt for a number of years and have been continually impressed by his service to our community and to the principles and values we share as a region. Appointing Matt to this position would be an investment in Southern Arizona's future that will pay off for years to come.

Thank you for your consideration of Matt Kopec.

Sincerely,

Luke Knipe
