Dear Pima County Supervisors,

To: Clerk of the Board of Supervisors
130 W Congress, 5th floor
Tucson AZ 85701

Dear Pima County Supervisors,

I am in favor of the proposed Bike Ranch bicycling and training resort at the corner of Escalante and Old Spanish Trail. This project complements Pima County's large investment in bicycling infrastructure, and its image as a cycling destination.

The fact that the Bike Ranch will use the highest standards of sustainable design, land preservation, and energy and water conservation is a big plus, and will set a high bar for future developments in our fragile desert landscape.

I believe that Saguaro National Park will directly benefit from introducing new riders and hikers to this beautiful desert while insuring a continual revenue stream. The Bike Ranch will have positive benefits for our whole community.

Sincerely,

--

Subject: Please support Bike Ranch

To whom it may concern,

Please consider supporting the efforts of Bike Ranch. The word is rapidly spreading across the globe that Tucson is a treasure as a cycling destination. The people who come to our town for this kind of escape are people who have above average amounts of disposable income. This is income we need. Furthermore, cyclists tend to be curious to explore new areas. This leads to them spending money in many areas of town. To become a true destination town for this clientele we must provide this kind of infrastructure. This also prevents the property from turning into just another planned community down the road. We're counting on you to do the right thing for all of Tucson, not just a few people with closed minds.

Thank you for your consideration.

Subject: Bike Ranch Proposal

This is an email in support of the proposed Bike Ranch across from Saguaro National Park East.

I really don't understand any opposition to this innovative proposal, as their goal is to preserve natural habitat and promote bicycling safety. They will also be providing job opportunities which are still much needed in this area.

I hope that as more people are educated about this proposal, there is less opposition.

Thank you,

Dear Pima County Supervisors,

To: Clerk of the Board of Supervisors
130 W Congress, 5th floor
Tucson AZ 85701

Dear Pima County Supervisors,

I am in favor of the proposed Bike Ranch bicycling and training resort at the corner of Escalante and Old Spanish Trail. This project complements Pima County's large investment in bicycling infrastructure, and its image as a cycling destination.

The fact that the Bike Ranch will use the highest standards of sustainable design, land preservation, and energy and water conservation is a big plus, and will set a high bar for future developments in our fragile desert landscape.

I believe that Saguaro National Park will directly benefit from introducing new riders and hikers to this beautiful desert while insuring a continual revenue stream. The Bike Ranch will have positive benefits for our whole community.

Sincerely,

--
Emily Joseph
