**\*Project Title/Description:**

COVID-19 Medical Support for Refugee Populations

**\*Purpose:**

Provide medical staff for COVID-19 evaluation, assessment and support at designated facilities that are housing refugees who are COVID-19 positive, suspect, or high risk.

Amendment #4 extends the Contract for an additional year and adds \$1,200,000 for the remainder of this contract year and for the extension year. Due to the fluctuation in the number of refugees arriving in Pima County, it is difficult to estimate future expense. At the current census level, we estimate this funding will last until the end of calendar year 2022.

**\*Procurement Method:**

Board of Supervisors Policy D29.7 per RFP for clinical services related to COVID-19 for refugees.

**\*Program Goals/Predicted Outcomes:**

- Provide 11 hours/day of in person care to refugees that have tested positive for COVID-19, are suspected of being infected, or are at high risk. Care will be provided 7 days a week. The level of staffing varies with the refugee census and includes two levels of clinical licensure as well as support staff.
- Provide on-call services the remaining 13 hours of the day, 7 days a week.

**\*Public Benefit:**

This care is for refugees that are in the country legally. Many of them arrived from high risk areas. Containing COVID-19 among this population is important to controlling the virus in Pima County.

The average daily census of refugees being provided healthcare under this contract has increased from less than 40 at the beginning of the contract in August 2021 to 199 in January 2022. From the opening of this service at the Red Roof Inn on August 25, 2021 until February 10, 2022, a total of 13,343 refugees have been housed at this location. 7,032 of these were Covid positive and the remainder were at high risk due to relationships with the Covid positive refugees. All of the refugees at the Red Roof Inn are provided healthcare under this Contract.

**\*Metrics Available to Measure Performance:**

- # of hours of care provided in person; divided by licensure
- # of days of on-call care provided
- # of patients seen
- # of calls responded to
- # of patients accompanied to hospital

**\*Retroactive:**

No.
