Dear Pima County Supervisors,

Agenda item #13 I want you to vote NO. The COVID-19 emergency is over. My medical records are NOT the business of anyone but my doctor and me. These funds should be returned to the Federal government to help offset our horrendous debt! We should not be spending our tax dollars to shelter people who are hear illegally!

Agenda Item #17: Please vote yes on Precinct Line Adjustments.

Agenda Item #18: Please vote NO. The Pima County Recorder's office is already tasked to do what you're considering giving them a huge increase for. Vote NO! We need fiscal sanity!

Agenda Item #34: Vote NO! You are public servants working on behalf of the Pima County citizens. NO any additional federal funding to feed, house, transport, quarantine, and provide medical assistance to "asylum seekers." No more money out of taxpayers' pockets. Refuse this federal handout and work instead at seeking border and immigration solutions that work, make sense and are fair to both immigrants and their country of destination.

Addendum Item #2: Vote NO! This is just flowery talk covering up a globalist agenda.

Sincerely,
Keith Schubert
