I am a resident of Ajo active for many years in the projects here to renovate buildings and improve the economy of our wonderful town. Over the last 20 some years Sharon Bronson provided critical support without which we probably couldn't have succeeded in renovating the town center, starting with the historic Curley School. Many of us are concerned that you choose an interim supervisor who knows and values rural and will continue to provide strong insight and support to our rural communities in District 3. Kristin Randall stands out as the candidate who would best understand and continue provide the support and assistance to our communities that we could count on from Sharon Bronson. I urge you to select her.

Respectfully, Tracy Taft

Good Afternoon Honorable Supervisors,

I am a District 3 voter and had the opportunity to watch the D3 Vacancy Forum with all 8 candidates last week hosted by the League of Women Voters of Greater Tucson. I have the privilege of having worked with a number of the candidates throughout the last two decades and so I was curious to learn more about why each one was vying for the D3 vacancy appointment. All the candidates were thoughtful and sincere, however the one candidate that could make the strongest impact on behalf of D3 residents was April Ignacio. Ms. Ignacio was actually one of the candidates that I was least familiar with but her responses were insightful and she is well qualified to fill the vacancy. While all the candidates clearly understood the critical issues facing D3, Ms. Ignacio provided an authentic and refreshing voice for the working families and individuals in D3. Ms. Ignacio has the needed acumen to start day one working on housing, environmental, & labor policy issues in Pima County. She also can provide essential representation for our district's rural residents. I applaud this Board's native lands acknowledgment, dedication to diversity and inclusion, and hope that this commitment also includes voting to appoint the first Tohono O'odham PC Board Supervisor. I appreciate your consideration of April Ignacio for the appointment of District 3.

Respectfully,

Hello Rex, Mat, Sharon, Steve, Adilita,
Please vote down (NO) on Ranked Choice Voting in Pima County.
Ranked Choice is too complicated. Many problems have been encountered in other locations in the USA. Keep it simple! Vote No!

Thank you, Don & Pat Hayles District 5

Re: District 3 Interim Appointment
Support for Jennifer Allen

Dear Supervisor Grijalva and Board of Supervisors:

I am grateful for the many years of dedicated service by retiring District 3 Supervisor Sharon Bronson. As a lifetime resident of the Tucson Mountains, I can attest to the dramatic transformations of this 192 square mile area, shifting needs, and opportunities for our future. Jennifer Allen has my enthusiastic recommendation for the Interim Appointment as District 3 Board of Supervisor.

Jennifer Allen can provide the Interim Board of Supervisor Appointment with necessary economic, social, and environmental solutions for Pima County and its residents. Jennifer Allen comes with professional experience, can bring a variety of parties together, is able to hear all voices, and works toward opportunities for solutions.

As a result of my experience as President of TMA, an organization whose mission is to protect and preserve open spaces so that natural and cultural resources are preserved for generations, I have directly seen the impacts in the Tucson Mountains of the environmental organizations Jennifer has been affiliated. These organizations work to engage and unite communities in impactful ways to protect the environment. I believe Jennifer will further these efforts and support them

Jennifer's broad experience serves District 3 constituents with her preparedness on day one. District 3 and our community would be fortunate to have Jennifer Allen join our Board of Supervisors, not only for interim but for long term service.

Sincerely

Denise Baldwin
