I am Sharon Fickes, Legal Resident of Pima County AZ Contact: [REDACTED]
Follows is my comment to the 1/10/2023 Board of Supervisors Call to the Public

I fully support Supervisor Steve Christy as the next Chairperson for the Board of Supervisors. I am disgusted how the BOS Agenda has morphed away from our community. In 2022 Chair Bronson has often changed *the time allotted for the public speaking from 3 minutes to 2 minutes and has cut the microphone during a comment, removed the Invocation from the Agenda and now we also have the Land Acknowledgement recognizing AZ tribal lands. And time for the dogs— not time for the people. I want to have time for an Acknowledgement for the 1,043,000 Pima County Residents Who Want Equal Representation. Each of You were elected to work for us.* Who are you pandering to?? My message, frustration, and anger with the Board of Supervisors is specifically directed to Supervisors Grijalva, Heinz, Scott and Bronson I refer to you as the "Squad of Four" Not independent thinkers supporting Pima County residents but voting lock step for liberal re-gressive issues damaging Pima County. My comments are never personal, they are a reflection on your actions as a Pima County Supervisor. The Squad of Four are a disgrace to the oath of office and to the over 1 million residents in Pima County who YOU vowed to serve and protect. You pursue your voting rights as a Supervisor as though you are not accountable to anyone. Consistently your votes are squandered on promoting funds to support illegal immigrants and NOT working to protect our sovereign southern borders. You spend millions in our tax dollars and work tirelessly to receive millions more in Federal funds (also our tax dollars) passing along through various grants and contracts supporting illegals with food, transportation, housing, health care. Pima County has complicated issues of fentanyl, human trafficking, cartel control, illegals in our neighborhoods, increased crime in our streets. Not just against US citizens who live in Pima County but let's not forget those migrants who are crossing illegally who are controlled and suffering by the drug cartel/terrorists and others working to bring them to Arizona. You need to get out in Pima County and see the homeless, veterans and families. Get to our Arizona Border. I am going to a border ranch in January with a group of YOUR constituents in my community. Contact me. I will include you in our

group to see the problems. Do you dare travel with us and actually visit & talk in-person?

Where are you Pima County residents? You must speak up against the actions of this Squad of Four. They cannot hear you if you don't speak up and participate. I am Sharon Fickes from United Republicans for Arizona in Green Valley.

I am a legal resident and voter in Pima County. This is my comment for the BOS Call to the Public.

I enthusiastically support Supervisor Steve Christy as the next Chairperson for the Board of Supervisors.

At this time I will not go into all my disappointments with the current BOS. I cannot wait until we have a change to vote again. Hopefully the current corrupt system will be replaced for our vote. We want our vote counted.
