Clerk of the Board Melissa Manriquez,

Dear Board of Supervisors,

I'm reaching out about item #5 on the addendum agenda for the September 5 meeting. Please vote in favor of allocating the surplus general fund ending balance toward affordable housing. This recommendation comes from the Regional Affordable Housing Commission, which voted unanimously at their August 18 meeting to forward this recommendation to the Board of Supervisors. Supervisor Heinz also supported the recommendation in his memo dated August 30.

When the status quo involves people making the median wage being unable to afford a median-priced apartment, leaders like you are obligated to intervene and use every possible tool and resource to address the problem. Immediate and urgent action is needed in order to address the housing crisis, and you have the opportunity to take meaningful action by approving this one-time expenditure of additional, unappropriated funds to go toward affordable housing.

Thanks for your consideration.

Clerk of the Board Melissa Manriquez,

Dear Board of Supervisors,

Affordable housing measures are desperately needed in Tucson. When I first moved here 15 years ago I could get by with two part time jobs and a roommate. As years went by my experiences with slum lords and raising rent suddenly prompted me to have to move out of certain neighborhoods. Eventually I got a job at a museum and found an affordable apartment that I thrives in for four years and saved up some money to look at buying a home. Without the help of my family and that affordable apartment, I would have never become a first time homeowner.

Please help people stay in their neighborhoods and have safe reliable housing they can afford.

Dear Board of Supervisors,

I'm reaching out about item #5 on the addendum agenda for the September 5 meeting. Please vote in favor of allocating the surplus general fund ending balance toward affordable housing. This recommendation comes from the Regional Affordable Housing Commission, which voted unanimously at their August 18 meeting to forward this recommendation to the Board of Supervisors. Supervisor Heinz also supported the recommendation in his memo dated August 30.

When the status quo involves people making the median wage being unable to afford a median-priced apartment, leaders like you are obligated to intervene and use every possible tool and resource to address the problem. Immediate and urgent action is needed in order to address the housing crisis, and you have the opportunity to take meaningful action by approving this one-time expenditure of additional, unappropriated funds to go toward affordable housing.

Thanks for your consideration.

Clerk of the Board Melissa Manriquez,

Dear Board of Supervisors,

I'm reaching out about item #5 on the addendum agenda for the September 5 meeting. Please vote in favor of allocating the surplus general fund ending balance toward affordable housing. This recommendation comes from the Regional Affordable Housing Commission, which voted unanimously at their August 18 meeting to forward this recommendation to the Board of Supervisors. Supervisor Heinz also supported the recommendation in his memo dated August 30.

When the status quo involves people making the median wage being unable to afford a median-priced apartment, leaders like you are obligated to intervene and use every possible tool and resource to address the problem. Immediate and urgent action is needed in order to address the housing crisis, and you have the opportunity to take meaningful action by approving this one-time expenditure of additional, unappropriated funds to go toward affordable housing.

Thanks for your consideration.

Our Freedom of Speech has been violated by this BOS. You are trying to silence us at all cost. We are angry and upset.

Now you are taking away the fellow supervisors on this Board's Personal Privilege. Disgusting and evil. We are watching.

Agenda Item #12. Funding for Libraries. Until we are shown that you aren't spending \$\$\$ on diversity, equity, etc and placing improper items on public tables and purchasing inappropriate books for our children. I say NO!!

Item 16, 18, and 24

Recorders Office Request for Additional Funds.

Why wasn't this planned for??? I don't feel confident that this money will be used responsibly. Please review this spending. Much unnecessary spending .....Totaling \$ 1,335,000. I have no confidence in the management and leadership in the Recorders Office. Wonder if any \$\$ will be spent in restoring voter integrity....no confidence in Recorder's Office at this time.

Item 34 - EPA funding

Vote No on additional funding!!!!

Addendum 1 Item 5

Vote No..... All reading spending \$158,000 On this project. Wait and see how project progresses. VOTE NO at this time.
