### General Requirements

1. This contract shall be governed by and constructed in accordance with the laws of the State of Arizona.
2. PIMA COUNTY CONSTABLES (Grantee) shall obtain and maintain all licenses, permits and authorizations necessary to perform its obligations under this contract; and responsible for compliance with all applicable local, state, and federal laws.

### Relationship of the Parties

The parties agree that the grantee shall not be considered an employee, associate, partner, officer, joint venture, or agent of the Department or the State of Arizona as a result of this contract. The grantee is solely responsible for the planning, design, scope, and implementation of the project funded through this contract. Neither the department nor the State of Arizona is responsible for any liabilities resulting from the grantee's planning, design, scope of work, implementation or performance of the project funded through this contract.

### No Waiver

Either party's failure to insist on strict performance of any term or condition of this contract shall not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.

### Audit of Records

Pursuant to A.R.S. § 35-214, PIMA COUNTY CONSTABLES (Grantee) shall retain and shall contractually require each subcontractor to retain all records relating to this contract for a period of five years after completion of the contract and until any litigation, claim, negotiation, audit, cost recovery, or action involving the records has been completed. All records shall be subject to inspection and audit by the State of Arizona at reasonable times. Upon request, the grantee shall produce the original of any or all such records.

### Indemnification

The grantee shall indemnify, defend, save, and hold harmless the State of Arizona, its departments, agencies, boards, commissions, universities, and its officers, officials, agents, and employees (hereinafter referred to as "indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and cost of claim processing, investigation, and litigation) (hereinafter referred to as "claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the grantee or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of the Grantee to conform to any federal, state, or local law, statute, ordinance rule, regulation, or court decree. It is the specific intention of the parties that the indemnitee shall, in all instances, except for claims arising solely from the negligent or willful acts or omissions of the indemnitee, be indemnified by the grantee from and against any and all claims. It is agreed that the grantee will be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. In consideration of the award of this contract, the grantee agrees to waive all rights of subrogation against the State of Arizona, its officers, officials, agents, and employees for losses arising from the work performed by the grantee and the department. This indemnity shall not apply if the grantee or subcontractor(s) is/are an agency, board, commission, or university of the State of Arizona. The grantee shall indemnify and hold harmless the State of Arizona against any liability, including costs and expenses, for infringement of any patent, trademark or copyright arising out of contract performance or used by the State of Arizona for materials furnished or work performed under this contract. The State of Arizona shall reasonably notify the grantee of any claim for which it may be liable under this paragraph.

### Resolution of Differences

1. Disputes arising during the performance of this contract will be resolved to the maximum extent possible through cooperation and coordination of the grantee and the department. If the grantee and the department are unable to resolve the differences or circumstances require an immediate decision, the department will refer the dispute to the director for resolution. Appeals to decisions made by the director may be taken in accordance with A.R.S. § 41-2704.

In the event of termination under this paragraph, all documents, data and reports prepared by the grantee under this contract shall become the property of and be delivered to the department. The grantee shall be entitled to receive reimbursement for work completed and materials accepted before notification of termination. The department shall provide written notice of the termination and the reasons for it to the grantee.
4. Non-Availability of Funds. Every payment obligation of the State under this contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. If funds are not allocated and available for the continuance of this contract, this contract may be terminated by the State at the end of the period for which funds are available. No liability shall accrue to the State in the event this provision is exercised, and the State shall not be obligated or liable for any future payments or for any damages as a result of termination under this paragraph.

5. Continuation of Work Activities After Termination. Termination of this contract does not prohibit the grantee from independently continuing work on the project, but any such independent continuation is solely the responsibility of the grantee.

#### **IV. Grant Application Package Materials**

This section reflects the Grant Application itself. Please respond to each of the requests below in the required fields. **TIPS:** Be thorough. The Board seeks assurance of fiscal and performance responsibility from grant applicants in the form of a well-prepared, thorough request for funding.

##### **A. Statement of Applicant Eligibility**

**Instructions:** Please describe the nature of your organization and explain how it is eligible to apply for the Constable Ethics, Standards & Training Board Equipment Grant Program. Please limit your response to no more than 1,000 words and attach evidence of your eligibility as documented exhibits.

The Pima County Constables Office is responsible for the service of civil and criminal court documents arising out of the Pima County Justice Courts and other courts of competent authority. The Pima County Board of Supervisors has established a writ fee in accordance with A.R.S. 22-138 (ORDINANCE NO 2007-02) a copy of which is attached for review. This fee was established in January 2007 and remains in effect therefore the Pima County Constables Office is eligible to receive equipment grant funding in this cycle.

## B. Project Proposal Form

**Instructions:** Please describe completely the project you propose to complete if awarded the Constable Ethics, Standards and Training Board Equipment Grant. Be complete in your description of the project. At a minimum your response to this form must contain:

- A detailed description of the proposed project.
- An explanation of needs for equipment purchases.
- An explanation of outcomes to be expected from the funding proposal.
- An explanation of how grant funds will be used (this is not a substitute for the Project Budget required in Section IV C.)

The Pima County Constables Office would like to purchase an NEC 80" Television/Monitor for our new facility. In March 2015 the Constables transitioned our office into the new Justice Court Complex. Funding for our transition was limited from Pima County's general fund with many aspects being unfunded and the responsibility of the Constables Office. Unfortunately, the Pima County Constables Office had limited funding for this transition and as a result items left unfunded were not purchased. One of these items was a large screen monitor for use in training, meetings etc..for our conference room. Our previous location was much smaller and had no capability of placing a screen for viewing and the associated audio and projectors etc.. Not an ideal or professional situation and many times we had to utilize a laptop screen for everyone to share or find an alternate location within the county which often times were unavailable. With the purchase of the NEC 80" Television/Monitor we will be able to sync with all the previously installed sound and communication systems in our conference room and allow us to utilize the full function of the system. This will allow us to conduct training, teleconferencing with a video feed, and present items and projects for discussion and display. If this project is funded it will provide the Pima County Constables Office the ability to facilitate meetings with Pima County Constables and county departments to avoid unnecessary travel and subsequent costs associated. It will also allow us to facilitate meetings outside of Pima County with other counties, government entities, constables, and groups for the benefit of Constables and County Government.
