Following are my comments for the Board of Supervisors Meeting 1-23-2024

Agenda Item #27 RTA IG design & construction on Palo Verde Road \$2,329,000/ 30 months (CTN-TR-24)

This project covers about 1/2 mile of Palo Verde Road just north of I-10. Roadways, curbs, and sidewalks. Is something missing for the \$2.5 million of taxpayer dollars and 2.5 years to complete? Even with inflation, does this sound reasonable? Might be a nice addition but step back and re-think the cost benefit **VOTE NO**

God Bless America
