Board of Supervisors  
33 N. Stone Avenue  
Tucson, AZ 85701

Dear Board of Supervisors,

Please accept this letter in petition of relief of Personal Property taxes for the years 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023, and 2024 for Iglesia Bautista de Sahuarita, for Personal Property #165136. Iglesia Bautista de Sahuarita is a not-for-profit religious organization. Iglesia Bautista de Sahuarita is located at 16241 S. Delgado Rd. In Sahuarita AZ, 85629.

This personal property is a Mobile Home, which the church acquired in January of 2012. This specific mobile home is located in the rear area of the property which is being used to house a Missionary couple who serve at our church in different needs. This mobile home is used primarily for housing The Fernandez family. We offer housing for Alfredo Fernández and his family as compensation for his work. This is where Alfredo and Alma reside along with their four children: Oscar, Eliam, Natan, and Josue. Alfredo is in charge of all the maintenance and security of our church and Christian school, all year round; he also oversees our ushers and other community outreach ministries. Alma, is one of our Christian school teachers, and helps with tutoring after school hours. In lieu of their work the church provides housing for them.

Our church secretary is a volunteer position, as we went through some changes, we are now trying to put all our church affairs in order. We thank you for your consideration of this request. If you have any questions, please feel free to contact me at 520-870-0070.

Respectfully submitted,

Julio C. Galván  
Assistant Pastor

The Corporation/Organization shall be governed by a Board of Directors (the "Board"), which shall have all the rights, powers,

privileges and limitations of liability of directors of a non-profit corporation organized under the Non-Profit Corporation Act of Arizona. The Board shall establish policies and directives governing business and programs of the Corporation/Organization and shall delegate to the Executive Director and Corporation/Organization staff, subject to the provisions of these Bylaws, authority and responsibility to see that the policies and directives are appropriately followed.

#### **Number and Qualifications**

The Board shall have up to 1 members, but no fewer than one (1) Board members. The number of Board members may be increased beyond 1 members by the affirmative vote of the then-serving Board of Directors. A Board member need not be a resident of the State of Arizona.

In addition to the regular membership of the Board, representatives of such other organizations or individuals as the Board may deem advisable to elect shall be *Ex-Officio Board Members*, which will have the same rights and obligations, including voting power, as the other directors.

#### **Board Compensation**

The Board shall receive no compensation other than for reasonable expenses. However, provided the compensation structure complies with Sections relating to "Contracts Involving Board Members and/or Officers" as stipulated under these Bylaws, nothing in these Bylaws shall be construed to preclude any Board member from serving the Corporation/Organization in any other capacity and receiving compensation for services rendered.

#### **Board Elections**

The Governance Committee, if created, shall present nomination for new and renewing Board members. Recommendations from the Governance Committee shall be made known to the Board in writing before nominations are made and voted on. New and renewing Board members shall be approved by those Board members at a Board meeting at which a quorum is present. If no Governance Committee is created, then this duty shall fall upon another committee created for that purpose or upon the Board of Directors.

#### **Term of Board**

All appointments to the Board shall be for a term of one (1) year. No person shall serve more than consecutive terms unless a majority of the Board, during the course of a Board meeting at which a quorum is present, votes to appoint a Board member to additional year(s). No person shall serve more than consecutive years. After serving the maximum total number of consecutive years on the Board, a member may be eligible for reconsideration as a Board member after years have passed since the conclusion of such Board member's service.

#### **Vacancies**

A vacancy on the Board of Directors may exist at the occurrence of the following conditions:

- a) The death, resignation, or removal of any director;
- b) The declaration by resolution of the Board of a vacancy in the office of a director who has been declared of unsound mind by a final order of court, convicted of a felony, found by final order or judgment of any court to have breached a duty pursuant to the Corporation Code and/or Act of the law dealing with the standards of conduct for a director, or has missed consecutive meetings of the Board of Directors, or a total of meetings of the Board during any one calendar year;
- c) An increase in the authorized number of directors; or
- d) The failure of the directors, at any annual or other meeting of directors at which director(s) are to be elected, to elect the full authorized number of directors.

The Board of Directors, by way of affirmative vote of a majority of the directors then currently in office, may remove any director without cause at any regular or special meeting, provided that the director to be removed has been notified in writing in the manner set forth in Article 5 – Meetings that such action would be considered at the meeting.

Except as provided in this paragraph, any director may resign effective upon giving written notice to the chair of the Board, the president of Corporation/Organization, the secretary of Corporation/Organization, or the Board of Directors, unless the notice specifies a later time for the effectiveness of the resignation. If the resignation is effective at a future time, a successor may be designated to take office when the resignation becomes effective. Unless the Attorney General of Arizona is first notified, no director may resign when the Corporation/Organization would then be left without a duly elected director in charge of its affairs.

Any vacancy on the Board may be filled by the directors then in office, whether or not the number of directors then in office

is less than a quorum, or by vote of a sole remaining director. No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires.

A Board member elected to fill a vacancy shall be elected for the unexpired term of his or her predecessor in office.

#### **Resignation**

Each Board member shall have the right to resign at any time upon written notice thereof to the Chair of the Board, Secretary of the Board, or the Executive Director. Unless otherwise specified in the notice, the resignation shall take effect upon receipt thereof, and the acceptance of such resignation shall take effect upon receipt thereof, and the acceptance of such resignation shall not be necessary to make it effective.

#### **Removal**

A Board member may be removed, with or without cause, at any duly constituted meeting of the Board, by the affirmative vote of of then-serving Board members.

#### **Meetings**

The Board's regular meetings may be held at such time and place as shall be determined by the Board. The Chair of the Board or any regular Board members may call a special meeting of the Board with days' written notice provided to each member of the Board. The notice shall be served upon each Board member via hand delivery, regular mail, email, or fax. The person(s) authorized to call such special meetings of the Board may also establish the place the meeting is to be conducted, so long as it is a reasonable place to hold any special meeting of the Board.

#### **Minutes**

The Secretary shall be responsible for the recording of all minutes of each and every meeting of the Board in which business shall be transacted in such order as the Board may determine from time to time. However, in the event that the Secretary is unavailable, the Chair of the Board shall appoint an individual to act as Secretary at the meeting. The Secretary, or the individual appointed to act as Secretary, shall prepare the minutes of the meetings, which shall be delivered to the Corporation/Organization to be placed in the minute books. A copy of the minutes shall be delivered to each Board member via either regular mail, hand delivered, emailed, or faxed within business days after the close of each Board meeting.

#### **Quorum**

At each meeting of the Board of Directors or Board Committees, the presence of persons shall constitute a quorum for the transaction of business. If at any time the Board consists of an even number of members and a vote results in a tie, then the vote of the Chair of the Board shall be the deciding vote. The act of the majority of the Board members serving on the Board or Board Committees and present at a meeting in which there is a quorum shall be the act of the Board or Board Committees, unless otherwise provided by the Articles of Incorporation, these Bylaws, or a law specifically requiring otherwise. If a quorum is not present at a meeting, the Board members present may adjourn the meeting from time to time without further notice until a quorum shall be present. However, a Board member shall be considered present at any meeting of the Board or Board Committees if during the meeting he or she is present via telephone or web conferencing with the other Board members participating in the meeting.

#### **Voting**

Each Board member shall only have one vote.

#### **Proxy**

#### **Board Member Attendance**

An elected Board Member who is absent from consecutive regular meetings of the Board during a fiscal year shall be encouraged to reevaluate with the Chair of the Board his/her commitment to the Corporation/Organization. The Board may deem a Board member who has missed consecutive meetings without such a reevaluation with the Chair, to have resigned from the Board.

### **ARTICLE 6 - OFFICERS**

#### **Officers and Duties**

The Board shall elect officers of the Corporation/Organization as defined in Articles of Incorporation or by Board resolution but in no case less than 1 officer to prepare minutes of the directors' and members' meetings and authenticate the records of the Corporation/Organization. The same person may hold any number of offices. In addition to the duties in accordance with this Article, officers shall conduct all other duties typically pertaining to their offices and other such duties which may be required by law, Articles of Incorporation, or by these bylaws, subject to control of the Board of Directors, and they shall perform any other such additional duties which the Board of Directors may assign to them at their discretion.

The officers will be selected by the Board at its annual meeting, and shall serve the needs of the Board, subject to all the rights, if any, of any officer who may be under a contract of employment. Therefore, without any bias or predisposition to the rights of any officer that may be under any contract of employment, any officer may be removed with or without cause by the Board. All officers have the right to resign at any time by providing notice in writing to the Chair of the Board, President, and/or Secretary of the Corporation/Organization, without bias or predisposition to all rights, if any, of the Corporation/Organization under any contract to which said officer is a part thereof. All resignations shall become effective upon the date on which the written notice of resignation is received or at any time later as may be specified within the resignation; and unless otherwise indicated within the written notice, a stated acceptance of the resignation shall not be required to make the resignation effective.

Any and all vacancies in any office because of death, resignation, disqualification, removal, or for any other cause, shall be filled in accordance with the herein prescribed Bylaws for regular appointments to such office. The compensation, if any, of the officers shall be fixed or determined by resolution of the Board of Directors.

**Chair of the Board (Chief Executive Officer)**

It shall be the responsibility of the Chair of the Board, when present, to preside over all meetings of the Board of Directors and Executive Committee. The Chair of the Board is authorized to execute, in the name of the Corporation/Organization, any and all contracts or other documents which may be authorized, either generally or specifically, by the Board to be executed by the Corporation/Organization, except when required by law that the President's signature must be provided.

**President (Executive Director)**

It shall be the responsibility of the President, in general, to supervise and conduct all activities and operations of the Corporation/Organization, subject to the control, advice and consent of the Board of Directors. The President shall keep the Board of Directors completely informed, shall freely consult with them in relation to all activities of the Corporation/Organization, and shall see that all orders and/or resolutions of the Board are carried out to the effect intended. The Board of Directors may place the President under a contract of employment where appropriate. The President shall be empowered to act, speak for, or otherwise represent the Corporation/Organization between meetings of the Board. The President shall be responsible for the hiring and firing of all personnel and shall be responsible for keeping the Board informed at all times of staff performance and for implementing any personnel policies which may be adopted and implemented by the Board. The President, at all times, is authorized to contract, receive, deposit, disburse and account for all funds of the Corporation/Organization, to execute in the name of the Corporation/Organization all contracts and other documents authorized either generally or specifically by the Board to be executed by the Corporation/Organization, and to negotiate any and all material business transactions of the Corporation/Organization.

**Treasurer (Chief Financial Officer)**

It shall be the responsibility of the Treasurer to keep and maintain, or cause to be kept and maintained, adequate and accurate accounts of all the properties and business transactions of the Corporation/Organization, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital, retained earnings, and other matters customarily included in financial statements.

The Treasurer shall be responsible for ensuring the deposit of, or cause to be deposited, all money and other valuables as may be designated by the Board of Directors. Furthermore, the Treasurer shall disburse, or cause to be disbursed, the funds of the Corporation/Organization, as may be ordered by the Board of Directors, and shall render to the Chair of the Board, President, and directors, whenever they request it, an account of all the Treasurer's transactions as treasurer and of the financial condition of the Corporation/Organization.

The Treasurer shall give the Corporation/Organization a bond, if so requested and required by the Board of Directors, in the amount and with the surety or sureties specified by the Board for faithful performance of the duties of the Treasurer's office and for restoration to the Corporation/Organization of all its books, papers, vouchers, money and other property of every kind in the Treasurer's possession or under the Treasurer's control upon the Treasurer's death, resignation, retirement, or removal from office. The Corporation/Organization shall pay the cost of such a bond.

**ARTICLE 7 - COMMITTEES**

**Committees of Directors**

The Board of Directors may, from time to time, and by resolution adopted by a majority of the directors then in office provided that a quorum is present, designate one or more committees to exercise all or a portion of the authority of the Board, to the extent of the powers specifically delegated in the resolution of the Board or in these Bylaws. Each such committee shall consist of at least one (1) director, and may also include persons who are not on the Board but whom the directors believe to be reliable and competent to serve at the specific committee. However, committees exercising any authority of the Board of

Directors may not have any non-director members. The Board may designate one or more alternative members of any committee who may replace any absent member at any meeting of the committee. The appointment of members or alternate members of a committee requires the vote of a majority of the directors then in office, provided that a quorum is present. The Board of Directors may also designate one or more advisory committees that do not have the authority of the Board. However, no committee, regardless of Board resolution, may:

- a) Approve of any action that, pursuant to applicable Law, would also require the affirmative vote of the members of the Board if this were a membership vote.
- b) Fill vacancies on, or remove the members of, the Board of Directors or any committee that has the authority of the Board.
- c) Fix compensation of the directors serving on the Board or on any committee.
- d) Amend or repeal the Articles of Incorporation or Bylaws or adopt new bylaws.
- e) Amend or repeal any resolution of the Board of Directors that by its express terms is not so amendable or repealable.
- f) Appoint any other committees of the Board of Directors or their members.
- g) Approve a plan of merger, consolidation, voluntary dissolution, bankruptcy, or reorganization; or a plan for the sale, lease, or exchange of all or considerably all of the property and assets of the Corporation/Organization otherwise than in the usual and regular course of its business; or revoke any such plan.
- h) Approve any self-dealing transaction, except as provided pursuant to Law.

Unless otherwise authorized by the Board of Directors, no committee shall bind the Corporation/Organization in a contract or agreement or expend Corporation/Organization funds.

#### **Meetings and Actions of Committees**

Meetings and actions of all committees shall be governed by, and held and taken in accordance with, the provisions of Article 7 - Committees of these Bylaws, concerning meetings and actions of the directors with such changes in the context of those bylaws as are necessary to substitute the committee and its members for the Board of Directors and its members, except that the time for regular meetings of committees may be determined either by resolution of the Board of Directors or by resolution of the committee. Special meetings of committees may also be called by resolution of the Board of Directors. Notice of special meetings of committees shall also be given to any and all alternate members, who shall have the right to attend all meetings of the committee. Minutes shall be kept for each meeting of any committee and shall be filed with the Corporation/Organization records. The Board of Directors may adopt rules not consistent with the provisions of these Bylaws for the governance of any committee.

If a director relies on information prepared by a committee of the Board on which the director does not serve, the committee must be composed exclusively of any or any combination of (a) directors, (b) directors or employees of the Corporation/Organization whom the director believes to be reliable and competent in the matters presented, or (c) counsel, independent accountants, or other persons as to matters which the director believes to be within that person's professional or expert competence.

### **ARTICLE 8 - STANDARD OF CARE**

#### **General**

A director shall perform all the duties of a director, including, but not limited to, duties as a member of any committee of the Board on which the director may serve, in such a manner as the director deems to be in the best interest of the Corporation/Organization and with such care, including reasonable inquiry, as an ordinary, prudent, and reasonable person in a similar situation may exercise under similar circumstances.

In the performance of the duties of a director, a director shall be entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, in each case prepared or presented by:

- a) One or more officers or employees of the Corporation/Organization whom the director deems to be reliable and competent in the matters presented;
- b) Counsel, independent accountants, or other persons, as to the matters which the director deems to be within such

person's professional or expert competence; or

- c) A committee of the Board upon which the director does not serve, as to matters within its designated authority, which committee the director deems to merit confidence,

so long as in any such case the director acts in good faith, after reasonable inquiry when the need may be indicated by the circumstances, and without knowledge that would cause such reliance to be unwarranted.

Except as herein provided in Article 8 - Standard of Care, any person who performs the duties of a director in accordance with the above shall have no liability based upon any failure or alleged failure to discharge that person's obligations as a director, including, without limitation of the following, any actions or omissions which exceed or defeat a public or charitable purpose to which the Corporation/Organization, or assets held by it, are dedicated.

#### **Loans**

The Corporation/Organization shall not make any loan of money or property to, or guarantee the obligation of, any director or officer, unless approved by the Arizona Attorney General; provided, however, that the Corporation/Organization may advance money to a director or officer of the Corporation/Organization or any subsidiary for expenses reasonably anticipated to be incurred in the performance of the duties of such officer or director so long as such individual would be entitled to be reimbursed for such expenses absent that advance.

#### **Conflict of Interest**

The purpose of the Conflict of Interest policy is to protect the Corporation/Organization's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of one of its officers or directors, or that might otherwise result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable corporations/organizations and is not intended as an exclusive statement of responsibilities.

#### **Restriction on Interested Directors**

Not more than % (percent) of the persons serving on the Board of Directors at any time may be interested persons. An interested person is (1) any person currently being compensated by the Corporation/Organization for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor, or otherwise, excluding any reasonable compensation paid to a director; and (2) any brother, sister, parent, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, mother-in-law, or father-in-law of any such person. However, any violation of the provisions of this section shall not affect the validity or enforceability of any transaction entered into by the interested person.

#### **Duty to Disclose**

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors who are considering the proposed transaction or arrangement.

#### **Establishing a Conflict of Interest**

After the disclosure of the financial interest and all material facts, and after any discussion with the interested person, the interested person shall leave the Board meeting while the potential conflict of interest is discussed and voted upon. The remaining Board members shall decide if a conflict of interest exists.

#### **Addressing a Conflict of Interest**

In the event that the Board should establish that a proposed transaction or arrangement establishes a conflict of interest, the Board shall then proceed with the following actions:

- a) Any interested person may render a request or report at the Board meeting, but upon completion of said request or report the individual shall be excused while the Board discusses the information and/or material presented and then votes on the transaction or arrangement proposed involving the possible conflict of interest.
- b) The Chair of the Board shall, if deemed necessary and appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c) After exercising due diligence, the Board shall determine whether the Corporation/Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d) If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a

conflict of interest, the Board shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the best interest of the Corporation/Organization, for its own benefit, and whether it is fair and reasonable. It shall make its decision as to whether to enter into the transaction arrangement in conformity with this determination.

#### **Violations of Conflict of Interest Policy**

Should the Board have reasonable cause to believe an interested person has failed to disclose actual or possible conflicts of interest, the Board shall then inform the interested person of the basis for such belief and afford the interested person an opportunity to explain the alleged failure to disclose.

If, after hearing the interested person's explanation, and after making further investigation as may be warranted in consideration of the circumstances, the Board determines the interested person intentionally failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

#### **Procedures and Records**

All minutes of the Board Meetings, when applicable, shall contain the following information:

- a) The names of all the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board's decision as to whether a conflict of interest in fact existed.
- b) The names of the persons who were present for discussions and any votes relating to the transaction or arrangement, the content of the discussions, including any alternatives to the proposed transaction or arrangement, and a record of any vote taken in connection with the proceedings.

#### **Acknowledgement of Conflict of Interest Policy**

Each director, principal officer, and member of a committee with Board delegated powers shall be required to sign a statement which affirms that such person:

- a) Has received a copy of the conflict of interest policy;
- b) Has read and understands the policy;
- c) Has agreed to comply with the policy; and
- d) Understands that the Corporation/Organization is charitable, and in order to maintain its federal tax exemption, it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

#### **Violation of Loyalty - Self-Dealing Contracts**

A self-dealing contract is any contract or transaction (i) between this Corporation/Organization and one or more of its Directors, or between this Corporation/Organization and any corporation, firm, or association in which one or more of the Directors has a material financial interest ("Interested Director"), or (ii) between this Corporation/Organization and a corporation, firm, or association of which one or more of its directors are Directors of this Corporation/Organization. Said self-dealing shall not be void or voidable because such Director(s) of corporation, firm, or association are parties or because said Director(s) are present at the meeting of the Board of Directors or committee which authorizes, approves or ratifies the self-dealing contract, if:

- a) All material facts are fully disclosed to or otherwise known by the members of the Board and the self-dealing contract is approved by the Interested Director in good faith (without including the vote of any membership owned by said Interested Director(s));
- b) All material facts are fully disclosed to or otherwise known by the Board of Directors or committee, and the Board of Directors or committee authorizes, approves, or ratifies the self-dealing contract in good faith—without counting the vote of the Interested Director(s)—and the contract is just and reasonable as to the Corporation/Organization at the time it is authorized, approved, or ratified; or
- c) As to contracts not approved as provided in above sections (a) and/or (b), the person asserting the validity of the self-dealing contract sustains the burden of proving that the contract was just and reasonable as to the Corporation/Organization at the time it was authorized, approved, or ratified.

Interested Director(s) may be counted in determining the presence of a quorum at a meeting of the Board of Directors or a committee thereof, which authorizes, approves, or ratifies a contract or transaction as provided for and contained in this section.

#### **Indemnification**

To the fullest extent permitted by law, the Corporation/Organization shall indemnify its "agents," as described by law, including its directors, officers, employees and volunteers, and including persons formerly occupying any such position, and their heirs, executors and administrators, against all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred by them in connection with any "proceeding," and including any action by or in the right of the Corporation/Organization, by reason of the fact that the person is or was a person as described in the Non-Profit Corporation Act. Such right of indemnification shall not be deemed exclusive of any other right to which such persons may be entitled apart from this Article.

The Corporation/Organization shall have the power to purchase and maintain insurance on behalf of any agent of the Corporation/Organization, to the fullest extent permitted by law, against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, or to give other indemnification to the extent permitted by law.

### **ARTICLE 9 - EXECUTION OF CORPORATE INSTRUMENTS**

#### **Execution of Corporate Instruments**

The Board of Directors may, at its discretion, determine the method and designate the signatory officer or officers, or other person or persons, to execute any corporate instrument or document, or to sign the corporate name without limitation, except when otherwise provided by law, and such execution or signature shall be binding upon the Corporation/Organization.

Unless otherwise specifically determined by the Board of Directors or otherwise required by law, formal contracts of the Corporation/Organization, promissory notes, deeds of trust, mortgages, other evidences of indebtedness of the Corporation/Organization, other corporate/organization instruments or documents, memberships in other corporations/organizations, and certificates of shares of stock owned by the Corporation/Organization shall be executed, signed, and/or endorsed by the .

All checks and drafts drawn on banks or other depositories on funds to the credit of the Corporation/Organization, or in special accounts of the Corporation/Organization, shall be signed by such person or persons as the Board of Directors shall authorize to do so.

#### **Loans and Contracts**

No loans or advances shall be contracted on behalf of the Corporation/Organization and no note or other evidence of indebtedness shall be issued in its name unless and except as the specific transaction is authorized by the Board of Directors. Without the express and specific authorization of the Board, no officer or other agent of the Corporation/Organization may enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation/Organization.

### **ARTICLE 10 - RECORDS AND REPORTS**

#### **Maintenance and Inspection of Federal Tax Exemption Application and Annual Information Returns**

The Corporation/Organization shall keep at its principal office a copy of its federal tax exemption application and its annual information returns for three years from their date of filing, which shall be open to public inspection and copying to the extent required by law.

#### **Maintenance and Inspection of Other Corporate Records**

The Corporation/Organization shall keep adequate and correct books and records of accounts and written minutes of the proceedings of the Board and committees of the Board. All such records shall be kept at a place or places as designated by the Board and committees of the Board, or in the absence of such designation, at the principal office of the Corporation/Organization. Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of every kind and the physical properties of the Corporation/Organization and each of its subsidiary corporations/organizations. The inspection may be made in person or by an agent or attorney, and shall include the right to copy and make extracts of documents.

Such statements shall be audited by an independent certified public accountant, in conformity with generally accepted accounting standards. The Corporation/Organization shall make these financial statements available to the Arizona Attorney General and members of the public for inspection no later than days after the close of the fiscal year to which the statements relate.

#### **Reports**

The Board shall ensure an annual report is sent to all directors within days after the end of the fiscal year of the Corporation/Organization, which shall contain the following information:

- a) The assets and liabilities, including trust funds, of this corporation at the end of the fiscal year.
- b) The principal changes in assets and liabilities, including trust funds, during the fiscal year.
- c) The expenses or disbursements of the Corporation/Organization for both general and restricted purposes during the fiscal year.
- d) The information required by the Non-Profit Corporation Act concerning certain self-dealing transactions involving more than \$50,000.00 or indemnifications involving more than \$10,000.00 which took place during the fiscal year.

The report shall be accompanied by any pertinent report from an independent accountant or, if there is no such report, the certificate of an authorized officer of the Corporation/Organization that such statements were prepared without audit from the books and records of the Corporation/Organization.

#### **ARTICLE 11 - FISCAL YEAR**

The fiscal year for this Corporation/Organization shall end on December 31.

#### **ARTICLE 12 - AMENDMENTS AND REVISIONS**

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(i).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. This does not apply, however, if you make or have made a timely election under section 3121(w) of the Code to be exempt from such tax. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely

## Molding a Masterpiece

Master Potter, why do You labor all day,  
Giving such effort to rough, worthless pieces of clay?  
Why such feeling in your hands?  
Why such care in ev'ry touch?  
Why all the struggle?  
Your creation is nothing but dust.

### Chorus:

I'm molding a masterpiece, a work of great beauty.  
I'm molding a masterpiece; my labor's not done.  
A trophy, a treasure of worth beyond measure-  
I'm molding a masterpiece, a masterpiece of love.

Loving Jesus, why are the children all here,  
Gathered around You and eagerly clinging so near?  
Urgent matters clamor loudly,  
and the children interfere-  
Why do You hold them,  
and so tenderly dry ev'ry tear?

Heav'nly Father, sometimes I question Your way:  
Why do You ask me to mold simple pieces of clay?  
Give me eyes to see the future,  
though it's hidden from my view;  
Give me compassion  
as I'm molding a treasure for You.
