Please add the following comments for the Tuesday, February 7, 2023 9:00 AM Board of Supervisors' agenda.

Agenda/Procurement Item #27: Dalberg Designs partnering with the University of Arizona to generate new policies, practices and system-level changes to use covid-19 public health information for racial and ethnic minority populations?? This request asks for a one-time increase of \$75,000 appending the Forced Labor of Ethnic Uyghurs provision.

Do you realize how utterly insane all this verbiage sounds? We have a new flu people and it will be with us for a while. We'll figure it out. VOTE NO!!!

Good Morning,

I do not support giving Dalberg Design, LLC more money for their services without an audit to prove their services are effective. This sounds like a cash grab and it is incumbent on the Board to prove the value of this service to the citizens before you take more of our money for this purpose.

Sincerely,

Elizabeth McGwire
