I am writing in support of the proposed Intergovernmental Agreement with the Mt Lemmon Fire District, which is on the agenda for the Board of Supervisors' meeting this Tuesday, May 4th.

Due to lower tax assessments, the District has lost nearly \$60k in annual revenue over the last three years. This loss of funds has seriously impacted their ability to maintain and/or purchase equipment and fund their payroll.

Over 90% of the district's 911 calls and responses are to assist non-residents who are part of the over 1 million visitors to the Mt Lemmon area each year.

I am asking for your support for these visitors, who will continue to provide tax dollars to Pima County.

Thank you for your consideration in this matter, and I urge you to vote in favor of this IGA,
