We already know masks are useless. Let us be to live a free and peaceful life. I will not comply to this tyranny.

Subject: No mandates please

I am writing to ask that you do not institute mask or vaccine mandates. There is no data that shows masks inhibit the spread and vaccine status is a matter of personal health choice to be made with consultation of my doctor and family.

Please respect the dignity of each of us to choose how we manage our healthcare.

Respectfully,
Mitch Stanley
