Good Morning Board Members,

My name is Josh Robinson and I am a current Board Member of the Tucson Conquistadors as well as the 2022 Tournament Chairman of the Cologuard Classic. I am addressing you today to request support in amending the development agreement between Pima County and TNR&S (Omni Tucson National Resort). Over the last 45 days, we have worked together with the Omni Tucson National to complete our agreement to host the PGA Tour Champions event at their location for the next two tournaments (2022 & 2023). By approving this amendment today, you would be ensuring that the financial viability of this event would remain in a strong position and continue it's success in bringing much needed economic impact to the region.

Additionally, the Tucson Conquistadors are committed to giving back to the community. Through your approval today, this will allow us to maximize our funds raised and ultimately returned to the community. During our 60 years of hosting professional golf in Tucson, the Conquistadors have raised nearly \$40M all being returned to the community of Southern Arizona. We appreciate the County's support of this important event and look forward to hosting a great event later this month at Omni Tucson National.

Thank you very much,

Josh Robinson
2022 Tournament Chairman
