## **Justice Services Item #29 \$110,000 CT JS-22-452**

John D. McArthur Foundation is again involved with more funds for more liberal projects. The funding for this position, as you indicated, has been vacant for more than a year. So why fund this foundation now? Hasn't the McArthur Foundation been providing performance data on the SJC grant since 2016? Does this mean the Board of Supervisors has not bothered to request any oversight on their performance of the foundation since that time?

Do not fund this project. The people of Pima County expect verifiable data on any funding they provide. We need to see past performance on any project. Consider how much "justice" and security is provided to Pima County by emptying our jails? Consider instead how to increase funding for the protection of Pima County and the county's residence by supporting additional funds for our Sheriff and Police forces.

**VOTE NO on giving additional funds to the John D. McArthur Foundation**

**God Bless America**
