Agenda Item #17: COUNTY ADMINISTRATOR, Pima County Adult Detention Center Blue Ribbon Commission

Can you please clarify the purpose of this item. Is it about fixing the failing facility? Is it about social justice? We are fully aware now that the facility is in need of huge amounts of money. From the past memos it seems that the facility has been no part of the conversation. Is the building covered under facilities management? If so, why is it so bad? Anyone that reads the last commission report can see that repairs need done asap. With this huge issue it makes it hard to watch you spend money on library remodels and soccer fields and covid shots. As a taxpayer in Pima County I want safety to be a priority. A safe, effective detention center is necessary today and in the foreseeable future. Please clarify this agenda item.

Sincerely

Robert Alcaraz PC 91
