Tamika Lawrence	New York, NY	2015-05-02	I believe that reading cultivates and nurtures the minds of not only the youth of this country but everyone as well. If you close this library a jail will open in it's place.

Asela Kurtzberg	Tucson, AZ	2015-04-24	The library is very important to the community. Reach out to the neighborhood for help.
Rev. Myoko Sara Hunsaker	Carmel Valley, CA	2015-04-25	I feel it is crucial for neighborhoods like this have facilities for students to study and for older people to have easy access to computers and books and for those who have no home to be that is supportive of their minds and bodies. Bussing to the Main Library is not user friendly.
Joan Caruso	Tucson, AZ	2015-04-25	I live in the neighborhood. This library is a wonderful asset for a neighborhood that needs resources for families and students from surrounding areas that are not wealthy and depend on what little is left of public services and funding for public schools.
Mahli Morales	Tucson, AZ	2015-04-26	I'm signing because I studied here for my GED and I still attend to classes of adult education this has been a great source of education for my family
Judy Bevier	Tucson, AZ	2015-04-26	This is my neighborhood library.
Al Guevara	Tucson, AZ	2015-04-27	Closing Libraries is WRONG. Close 1% tax loopholes
Paula Bachman-Williams	Tucson, AZ	2015-04-27	Reading is the most important factor is student achievement.
Lawrence Robertshaw	Green Valley, AZ	2015-04-27	Please INCREASE funding for our community libraries by raising taxes on local corporations and the wealthy.
Ginny Beal	Tucson, AZ	2015-04-27	so many need this library!
Yolva morales	Tucson, AZ	2015-04-27	I'm learning English and many people are benefiting from this locality
Rene Valenzuela	Tucson, AZ	2015-04-28	We need libraries. Our kids need libraries! Reading is a fundamental trait that needs to be thought for this generation and beyond.
Edmund Dunham Morrison III	Tucson, AZ	2015-04-28	Santa Rosa Library serves a poorer area of Tucson. Most of the kids from school use the library's computers for homework. Another way Tucson avoids its obligation to the poor!
Glenn Furnier	Tucson, AZ	2015-04-28	This is a low-income neighborhood that needs a library.
Katherine Chapman	Tucson, AZ	2015-04-28	I am a teacher at Carrillo K-5 Magnet School and many of our students use this library. It is a very important part of their community! Please keep it open and available for all of the Santa Rosa community!
Renee Daniels	Tucson, AZ	2015-04-28	Please do not close the Santa Rosa library. It is an essential community information and activity center.
Matthew Scarber	Tucson, AZ	2015-04-28	Shutting down this library would be an injustice. The children use it very often for homework, research, reading, general education, and for many other things. Additionally, this library is a very important developmental and educational resource for the community.
Roxana fernandez	Tucson, AZ	2015-04-29	I would like this library to keep the doors open because I attend to Family Literacy and the library is such a great place for me to continue with my studies
Matthew Scarber	Tucson, AZ	2015-04-29	I am a volunteer at the park, I have used this library numerous times, and I am a graduate of the U of A. Closing down this library would be a great injustice. The library is a very important resource for not only the community, but the children that may need it for research, homework, reading, general education, etc. Removal of it would significantly harm the neighborhood community and hinder the educational development of the children. These children need access to resources like these especially when they cannot afford them on their own.
rafaela vega	White Plains, NY	2015-04-29	No me gustaría que la cerrarán por que hay recibo mis clases de inglés y ged
nora grijalva	Tucson, AZ	2015-04-29	Porque a esa libreria es donde voy a clases de ingles

Maggie Gedebo	Tucson, AZ	2015-04-22	The Santa Rosa Library is an extremely important resource for the neighborhood and to all of the students at Drachman Elementary school. The staff and programming at the library have provided a safe outlet for children that promotes their independence and growth in knowledge.
Roberta Vasquez	Tucson, AZ	2015-04-22	I want Santa Rosa library to remain open.
Joaquin Vasquez	Tucson, AZ	2015-04-22	I would like Santa Rosa library to remain open for our children and the community.
Rene Solano	Tucson, AZ	2015-04-22	My child Goes to the library
Christine Colmenero	Tucson, AZ	2015-04-22	This library is vital to the neighborhood without this library I fear that the very young and the youth of the neighborhood will be at a loss for positive and constructive activity. Without Santa Rosa Library the children will come to pass unneeded misfortune.
Anita Cole	Tucson, AZ	2015-04-22	I see many students using the library after school and it has continually been a safe and positive place for children to be after school hours.
Susan Hileman	Tucson, AZ	2015-04-22	Libraries nurture community.... what are we telling our children when we close them? There HAS to be a better way!
dora martinez	tucson, AZ	2015-04-22	The Santa Rosa Library is a wonderful resource for our school community and neighborhood community at large. Our students at Drachman use this library all the time to complete homework assignments, to do research, to read for fun or to use the computers to play games to relax and have fun. Losing this wonderful resource in this community would be very discouraging to all, young and old. Please rethink your decision to close down any library, for that matter.
Sandra Rodriguez Hernandez	Tucson, AZ	2015-04-22	I am signing this petition. In hope that we can keep this library open. It is a huge asset to our community. When I go there with my children I notice that there are a lot of children that go there to get help with homework. Who also use the computers there to complete homework because they don't have access to one at home. I would hate to think how these children would complete their school work if they don't get the homework help and access to computers. I would rather see children at the library then out in the streets.
Elizabeth Saunders	Tucson, AZ	2015-04-22	I used to tutor kids at this library after school. It's a haven for children who's parents aren't yet home and need a safe place to finish their homework and socialize in an environment that promotes learning and creativity.
susan eyde	Tucson, AZ	2015-04-22	I've seen first hand this library is busy beyond normal school hours with children and adults. Santa Rosa Library is a safe haven where a diverse population comes together as a community to learn, study and create.
Cheryl Beth Diamond	Ashland, OR	2015-04-23	this library is important to the children of many nationalities living in and around this location. it is their entree to reading, becoming english speaking and to learning about the many cultures surrounding them!
EMELINA Valdenegro	Alton, UT	2015-04-24	We need this library to remain intact, it's very important to the community.
Jane Gray	Tucson, AZ	2015-04-24	I use this library
MARTHA H. ELIAS	TUCSON, AR	2015-04-24	Closing this library is a mistake. Many people depend on its being left open.....
Nancy Bissell	Tucson, AZ	2015-04-24	This library is near my house and is used by neighbors, friends and family. It's closure would be a serious loss.
Helen Landerman	Tucson, AZ	2015-04-24	Libraries are vitally important to the community.

Donnelly Patricia	Tucson, AZ	2015-04-21	The Santa Rosa branch library serves many families of low socio-economic status. Their children are students who attend TUSD's Drachman Montessori Magnet School, Carrillo Elementary school, as well as other nearby private and charter schools. It is located in a neighborhood where many African refugees, from a diversity of tribes and nations, have been re-settled. Many patrons of the Santa Rosa library do not have access to a home computer, nor do they have books in their homes. Children, whose parents do not speak English, receive help with their homework there. In terms of books circulation, it should be considered that this library does not have as large an inventory of books as other branch libraries do; however, it serves as an important resource to the families who use it, allowing them access to periodicals, the internet, and the books that are housed there. Please do not close the Santa Rosa library. It is an essential community information center.
Julie Reed	Tucson, AZ	2015-04-21	This is my local neighborhood and we use it a lot!!!
traci lewis	Tucson, AZ	2015-04-21	we need all the libraries we can get. Kids need books to read. This library is right in front of a school which is were I work and I know a lot of our kids go to get books. This is a place where some of these kids can only go to get books to read.
Judy Sensibar	Tucson, AZ	2015-04-21	I believe this underserved area needs a library and its crucial to the integrity of the TUSD program because of Drachman, the elementary school connected to it.
sybille c fritzsche	Tucson, AZ	2015-04-21	My granddaughter and her parents use and enjoy the library enormously. It is a great resource for the for the barrio community
Joana Mains	Tucson, AZ	2015-04-21	I grew up going to a library in my neighborhood. Every child needs a library they can walk to.
Emily Lyons	Flagstaff, AZ	2015-04-21	This was my library branch / polling place when I lived in Barrio Santa Rosa. Libraries contribute to strong communities, providing children with safe spaces where they can learn, play, and be creative outside of school hours. Libraries also provide much needed resources for community members who are looking for jobs and building employable skills. Closing the library would be a big loss for the community.
Carie Schneider	Tucson, AZ	2015-04-21	I used to live across he street from drachman and this library - it is such a vital part of lifting that neighborhood out of urban blight and making it a family friendly community with safe spaces for kids and teens.
Ernesto Gomez	Tucson, AZ	2015-04-22	My daughter goes to school to Drachman
Sonia Munoz	Tucson, AZ	2015-04-22	I have used this library in the past when I did not have access to a computer with an Internet connection. I did live near by at the time with no car to travel. I think many families in the area benefit from this library for the same reasons I did.
Magda Curiel	Tucson, AZ	2015-04-22	My children go to Drachman and they go to the kidco at Santa Rita library

catherine eyde	tucson, AZ	2015-04-21	This library and community place is much needed in the community and the neighborhood. We see many kids after school utilizing it and keeping them occupied in very useful ways. Keep this here!
Kristen Bury	Tucson, AZ	2015-04-21	It is the only library nearby and it is in between a City Park that charges children to participate in activities. The Santa Rosa Library is a community oriented library that serves Drachman Montessori Magent, Carrillo Magnet, Ochoa Magnet, and Safford K-8 students and families with lots of wonderful student centered and community programs. My daughter has participated in knitting with a group of dedicated volunteers for 3 years. She has also participated in the many partnership programs offered there. There are many community organizations and community members that will suffer a loss of services if Santa Rosa closes. It is a hub for health care, literacy, Head Start families, safe place for many youth, and a critical part of the community!
Vanda J Gerhart	Tucson, AZ	2015-04-21	Please, please don't take away another crucial resource from this downtown barrio.
Susanne Olkkola	Tucson, AZ	2015-04-21	That area is so under-resourced and the library is much used
Briana Hiller-Hannan	Tucson, AZ	2015-04-21	The Santa Rosa library is important for all our neighborhood children.
Laurel Lacher	Tucson, AZ	2015-04-21	This library plays a super important role in keeping kids in our neighborhood off the streets. We also enjoy walking over to pick up our reserved items there.
Dina Scalone-romero	Tucson, AZ	2015-04-21	We need this library!! N
janet williams	scottsdale, AZ	2015-04-21	I spend a great deal of time in this neighborhood. The importance of the Santa Rosa Library cannot be underestimated.
Suzan Seay	Tucson, AZ	2015-04-21	I'm signing this because I'd rather my money go to maintaining a library over another prison. Thanks Doug Ducey, you mobster....for real.
Jesus Celaya	Tucson, AZ	2015-04-21	It is a vital resource for Drachman's community!
Sara Martinez	Tucson, AZ	2015-04-21	My Grandson goes to Drachman.and Kidco across the street & he uses this library.
Krystal Enriquez	Tucson, AZ	2015-04-21	I am signing because the Santa Rosa Library is an irreplaceable resource for Drachman Montessori students, their families, and the surrounding community. It is a mistake to consider closing it down.
Regina Reyes	Tucson, AZ	2015-04-21	We cannot afford to lose one single library! Not one day! Libraries do so much more than lend books. They're the central space in a community.
Moreno Patsy	Tucson, AZ	2015-04-21	I feel the library is vital to the families in the neighborhood.

Recipient: Pima County Commissioners

Letter: Greetings,

save Santa Rosa Library from being closed down due to budget cuts

The Santa Rosa Library is a central hub of resource in a neighborhood that is resource deprived. The surrounding community and school uses the library, it is a central hub for neighbors, families, and students. It is built within a campus that includes a community center, a public school (title 1 school), an early learning center and park. Without the library it loses a central ingredient to the neighborhood.

Dear County Commissioners,

May, 2015

As a parent of a Drachman elementary school student I am writing to express my dismay that you are considering closing four libraries. I am writing on behalf of Santa Rosa Library. The Santa Rosa Library is a central hub of resource in a neighborhood that is resource deprived. The surrounding community and schools (Drachman, Stafford, Oocha, Carrillo and the early childhood pre-school) use the library. Drachman in particular uses the library a great deal, as a resource center, books, classes, and a safe place for the children to be after school. The librarians know each child's name. It is a central hub for neighbors, families, and students. It is built within a campus that includes a community center, a public school (title 1 school), an early learning center and park. Without the library it loses a central ingredient to the neighborhood and campus.

Please reconsider closing the libraries and find another solution. We need this library and ALL libraries.

Thank you,

The Santa Rosa Library is a central hub of resource in a neighborhood that is resource deprived. The surrounding community and schools (Drachman, Stafford, Oocha, Carrillo and the early childhood pre-school) use the library. Drachman in particular uses the library a great deal, as a resource center, books, classes, and a safe place for the children to be after school. The librarians know each child's name. It is a central hub for neighbors, families, and students. It is built within a campus that includes a community center, a public school (title 1 school), an early learning center and park. Without the library it loses a central ingredient to the neighborhood and campus.

Please reconsider closing the libraries and find another solution. We need this library and ALL libraries.

Thank you,

Zach S.

A handwritten signature in black ink, appearing to read "David Ybanez". The signature is fluid and cursive, with the first name "David" written in a larger, more prominent script than the last name "Ybanez".
