DATE 9-15-20 ITEM NO. RA 21

PIMA COUNTY **DEVELOPMENT SERVICES**

DATE: January 6, 2021
TO: Julie Castaneda, Pima County Clerk of the Board
FROM: Tom Drzazgowski, Chief Zoning Inspector
SUBJECT: P20CA00001 - Chacon

The above item was presented to the Board of Supervisors numerous times during the 2020 year. It was continued by the Board at each one of those hearings. At the last hearing the Board approved the request, without a specific date. The applicant was required to request a new date for the case to be on the agenda. To date, the applicant has not requested a date for the case to be heard. The Pima County Zoning Code Section 18.89.050E4 requires that the case not be continued for more than nine months. The nine month time limit expired in November 2020. Since the applicant never requested a hearing date, the case has expired. No action by the Board of Supervisors need to occur. Staff will close the case and notify the applicant that the request has been closed.
