Hello!

I am writing in support of providing legal representation to all tenants facing eviction. Housing insecurity has become a growing threat for too many in our community. Struggling families deserve a fighting chance. When sheltering in place could mean the difference between life and death, the importance of safe and secure housing has never been more clear. The time is now. Pima County must take meaningful and lasting action.

Thank you!

Hello,

I am writing to register my strong support for the eviction defense initiative that will be considered at the upcoming Board of Supervisors meeting.

In this pandemic it is imperative that people are able to keep their homes, and legal defense is one piece of the puzzle required to do that. This is a health issue, an issue of justice, and just the morally right thing to do.

Please, please pass this resolution. Thank you.
