

Pima County Board of Supervisors
c/o Clerk of the Board
130 W. Congress, 1st Floor
Tucson, Arizona 85701

Attention: Ms. Melissa Manriquez:

We were informed that Mr. Portner withdrew his request for the Specific Plan and Comprehensive Plan Amendment (P21SP00001) that was scheduled for the Boards December 7, 2021 Agenda. Before his withdrawal we had accumulated another 112 signatures from area residents who were opposed to approval of P21SP00001. We feel that these 112 people would want their opinion noted, and put into public record, in case Mr. Portner should resubmit another request for this property in their area. Would you please add these 5 Petition pages with 112 signatures to the other 447 people who had signed the 21 Petition pages we have already submitted to you.

Also we would like to comment on the informative, courteous, non-biased, professional, and pleasant attitude that all of your staff members have given us in our interactions with them in dealing with this issue. Their help was greatly appreciated and we thank you.
