Following is my comment for the BOS Agenda Meeting 02-01-22

ADDENDUM ITEM #5, 6, 7. Resolutions 4,5,6, Total 2021-2022 \$75,000

Whatever your logic is covering past funds spent or promised, it is not even close to what is necessary to support law enforcement necessary to combat drug enforcement operations. You must have your head in the sand not to understand the depth of drug problems Tucson and neighboring communities in Pima County are facing. While you approach the new budgeting period in 2022, make a concerted effort to make a real financial investment protecting us from the drug traffic issues and supporting a solution to death by overdose and illegal drugs.

My comments on Addendum Item #5, 6, 7. Resolutions 4, 5, 6.

The amount you have approved for 2021-2022 of \$75,000 is laughable when we have the drug crises here in Pima County. I believe a lot of what has happened is due to the immigration policy. We have dangerous drugs crossing our boarder here in Arizona. Our residents (particularly youth) are exposed to high quantities of very dangerous drugs. (They are not you mother's drugs.) I believe we will continue to have a spike in crime.

You as our Board of Supervisors need to rethink the crisis we have here. Stop giving money to illegals and take care of addicted and ill citizens. A lot more focus on our youth!! This is crisis not only in Arizona but all of America.

Please consider revising the budget!
