Good morning,

My name is Linda Stehle and am a legal registered voter in Pima County. I am commenting to you in regards to Agenda Item #10 In-Person Board Meetings and #16 the Board Meeting Schedule. Virtual meetings have been conducted for almost 2 years. It is well past time the Board of Supervisors go to work in person. Masks SHOULD BE a PERSONAL medical choice, not a mandate. It is your choice if you want to work behind a plastic shield and 6' apart to conduct business. It is time everyone, commissions, boards and committees should be back in-person. The public should also be allowed to attend wherever they choose to participate in-person. Lead by example, VOTE to go back to work in-person, right now.

Thank you for your time.
