

MEMORANDUM

Date: March 17, 2022

To: The Honorable Chair and Members Pima County Board of Supervisors

From: Jan Lesher Acting County Administrator

AGENDA MATERIAL

ATE 3/15/22 ITEM NO. RA IO

Re: Board of Supervisors March 15, 2022 Meeting—Agenda Item 10 MA-PO-22-109 Cox Arizona Telecom (Continued to April 5, 2022)

The Planning Taskforce for Digital Access in Pima County identified the need to increase access to devices and tools as one of its priority mid-term goals. As part of this strategy Pima County Public Library and Pima County Information Technology engaged with local internet service providers to develop proposals for the Emergency Connectivity Fund, a program component of the American Rescue Plan Act. The agenda item under consideration is the result of that process.

The program called Hotspots Around Town is operationalized under a Master Agreement with COX Communications, funded by the Public Library using federal Emergency Connectivity Funds available to libraries and schools. Under the agreement, the contractor agrees to place and/or activate 130 hotspots in 92 rural or underserved locations and make them available to end-users at no cost. The sites across all five supervisory districts were identified by Pima County Public Library as locations where internet registration and adoption tends to be low compared to the rest of Pima County. Eighty Tucson metro hotspots are already in-place and available to COX customers in 69 locations, in this case the service provider makes them available to non-subscribers.

The number and location of such hotspots are detailed in Exhibit D of the Master Agreement, Attachment 1. A listing of the metro hotspots and addresses is included as Attachment 2.
