Cc:
Dear Pima County Board Supervisors,

The State COVID Emergency Use order has been lifted.

So, why is the Health Department asking for \$420,000 to target minority communities for more covid vaccinations and boosters??

These vaccines and boosters are EMERGENCY USE PRODUCTS WHICH CAN ONLY BE DELIVERED UNDER AN EMERGENCY USE ORDER. There is no more emergency use order.

If the County continues to administer one more emergency use vaccine or booster when there is no emergency order in place:

1. It will subject Pima County taxpayers to liability for lawsuits for vaccine injury
2. It will subject Pima County taxpayers to liability for ILLEGAL GIFTS OF PUBLIC FUNDS to pharma manufacturers.

Please VOTE NO on Addendum 9.
