Dear Ms. Melissa Manriquez:

Please accept my endorsement of Javier Montenegro's appointment to represent The University of Arizona's position on the Tucson Pima County Bicycle Advisory Committee (BAC). Javier currently holds our Sustainability and Commuter Programs Coordinator position with Parking & Transportation Services and many of his responsibilities align with the committee's interests and efforts. Jaiver is responsible for overseeing the operations of our campus bike programs and helping reduce single-occupancy vehicle trips to campus. Javier has a strong work ethic and willingness to jump in to share the workload and complete the task as hand. In addition to his responsibilities, Javier spends much of his weekend enjoying the Chuck Huckelberry Loop with his family.
