Subject: Chuck records requests by media
Importance: High

Dylan Smith continues to ask me each day for the records he requested last Thursday. And now other media have made requests and Jo Ann Di Flippo.

I'm concerned that if we take too long to respond it will give the impression of stonewalling or cover up given the touchy nature of the situation.

Can we all chat today via Teams to see what can be done to expedite the compilation and dissemination of the requested records?

I can throw bodies at the problem if staffing is an issue for searching, retrieving, scanning and redacting.

Requests I'm speaking of are attached.

ME
