I am Sharon Fickes, legal resident of Pima County, AZ Contact is [REDACTED]
Following is my comment for the -6-21-22 Board of Supervisors Meeting

Consent Calendar Item #14 Sunnyside Unified School District no cost Contract 22-070 This could also involve ALL School Districts thru Intergovernmental Agreements Referring to Contract No. CTN-HD-22-070-01 Agreement Page 1 of 2 AMENDMENT modifying County Responsibilities as listed in the IGA. You are considering Revising Article V subsection 1.6 as follows:

"Reproductive Health Education and Services, Services that may be provided **with or without parental consents** as per the requirement of Title X. Services may include testing and treatment of HIV and Sexually Transmitted Infections, provision of contraceptive care to include condoms, combined oral contraceptive pills long-acting reversible contraception, health guidance and counseling." (bold emphasis my addition)

Pima County thru the Health Dept Agreements to assist schools **VIOLATES** AZ Rev Stat § 1-601 (2020) 1-601. Parents' rights protected A. **The liberty of parents to direct the upbringing, education, health care and mental health of their children is a fundamental right.**

Parents do not need Board of Supervisors or School Boards or other governmental interference raising their children. Pull this item from the Consent Calendar to be discussed, dismissed and **vote NO** against such infringement on parental rights. The entire Intergovernmental Agreement with Amendments should be rescinded and removed from contractual obligations of Pima County.
