Following is my comment for the Board of Supervisors

Consent Calendar Item #35 Office Emergency Management \$34,600 + other nonfed matching funds \$17,300
Conference travel for education including previous expenses before approval. Pima County is encouraging residents to be educated and trusting of new technology thru Vote Centers and E-Poll Books and Board of Supervisors have the option to "attend" meetings in person, by telephone, video or internet conferencing. **WHY** isn't the OEM requiring personnel to do likewise by participating via the latest technology at the home office and save our tax money for other more important items like a real emergency or protecting our borders? **VOTE NO**
