It is paramount you understand WE HAVE NO MORE MONEY. Voting to enact higher taxes on Pima County citizens will further destroy our community. We are doing with less. We have cut out many, many expenditures, including reducing the amount of food and the number of meals we eat each day. We have had to stop going places, including to activities like seeing our friends and family just because we can no longer afford to put gas in our cars. I can't understand why you think we have any more money to give you through taxing us.

VOTE NO on ANY and ALL tax increases.

Sincerely,

Elizabeth McGwire

RE: FINAL BUDGET HEARINGS AND TRUTH IN TAXATION HEARING

Greetings,

We strongly oppose any Property taxes increase! Enough is enough!
Many citizens opposed the recent Proposition 208, yet are forced to pay for it.
I'd like a hand count of that!

Are you using the library district and mysterious Wildflower district (wht?) to tax us secretly out of our homes?

It is very troubling in a time of recession and rapid inflation, that you even consider property tax increases. We all have trouble during these hard economic times to pay for any extra increases. People should not be taxed out of their homes. Landlords would pass their tax burden to renters. Renters would land in transient housing or on the streets. Please close the loop to this vicious cycle. Thank you. Please protect the citizens from undo tax burden, per your oath of office!

Please oppose property tax increases.
