INTERGOVERNMENTAL AGREEMENT

This Intergovernmental Agreement ("IGA") is between Pima County ("County"), a body politic and corporate of the State of Arizona, and Pima County Amphitheater Schools *dba* Amphitheater Public Schools ("District"), a taxing district of the State of Arizona, pursuant to A.R.S. § 11-952.

- A. County and District may contract for services and enter into agreements with one another for joint or cooperative action pursuant to A.R.S. § 11-951, et seq.
- B. County is authorized by A.R.S. § 11-254.04 to appropriate and spend public monies for and in connection with activities that the County Board of Supervisors finds and determines will assist in the creation or retention of jobs or will otherwise improve or enhance the economic welfare of County inhabitants.
- C. District is authorized by A.R.S. § 15-342 to enter into this IGA with County.
- D. County, as part of its Economic Development Plan 2019-2021, has recognized the significance of workforce shortages and the need for reliable, high-quality, and affordable preschool programs to address barriers to parents entering and remaining in the workforce.
- E. Research shows that children, particularly economically disadvantaged children and children of color, who attend preschool are better prepared for kindergarten and are less likely to need expensive special education services, and that, with continued supportive education, these benefits may result in positive longer-term outcomes for those children, their parents, employers, and taxpayers.
- F. In Pima County, only 46% of third graders are minimally proficient at reading a key educational indicator. Preschool enrollment is low, enrollment in quality preschool is even lower, half of all preschool-age children are from low-income families, a majority of preschool-age children from low-income families are children of color, and public funding and preschool capacity for those who need it is insufficient.
- G. County has determined that funding preschool expansion for low-income families that wish to enroll their preschool-age children in high quality preschools will improve the economic health and welfare of those children, their parents, employers, and taxpayers.

NOW, THEREFORE, County and District, pursuant to the above, and in consideration of the matters and things hereinafter set forth, do mutually agree as follows:

Agreement

- 1. **Purpose.** The purpose of this IGA is to use funding from the Town of Oro Valley to make improvements to indoor and outdoor facilities used by preschool children enrolled in the Pima Early Education Program at Pima County Amphitheater Schools *dba* Amphitheater Public Schools in the Town of Oro Valley.
- 2. **Term.** This IGA commences on August 2, 2022 and will terminate on May 31, 2023. If the commencement date of the Term is before the date of execution, the parties will, for all purposes, deem the IGA to have been in effect as of the commencement date.
- 3. Party Responsibilities.
 - 3.1. District shall provide County the services in **Exhibit A** (3 pages). District shall obtain and maintain all applicable licenses, permits, and authority required for its performance under this IGA. District shall also identify a Liaison for this IGA by July 1, 2022.
 - 3.2. County shall pay District for the services in **Exhibit A**. County shall identify a Liaison for this IGA by July 1, 2022. County shall also notify District in advance if the IGA is transferred to a third party for administration and will identify the new Liaison.
- 4. COVID-19 Restrictions. District shall maintain compliance with Centers for Disease Control and Prevention ("CDC"), State, and County guidelines for operating during the Coronavirus COVID-19 pandemic. If District's performance of the services must be modified or curtailed to comply with public health restrictions related to COVID-19, District shall immediately report the situation to County. County and District will confer at least monthly to determine appropriate performance requirements and activities until services can be resumed in full.
- 5. Confidentiality. District acknowledges that student files and information are private and the use or disclosure of such information, when not directly connected with District's or County's responsibilities under this IGA is prohibited unless District obtains written consent from the individual or, in the case of a minor, from the responsible parent or guardian of the minor. District will allow only authorized individuals with a need for client or applicant information to have access to these files. District will comply with all state and federal statutes and regulations governing the use or disclosure of private information.
- 6. Monitoring. County will monitor all of District's management, fiscal, and service provision activities to ensure that District is making adequate and acceptable progress in the provision of services, maintaining adequate and acceptable systems to document services and expenditures, and using the provided funds effectively and efficiently to accomplish the services. District will cooperate with County in the monitoring and evaluation process and will provide County with access to all documentation required to evaluate District's performance and use of funds under this IGA.
- 7. **Financing.** County shall reimburse District an amount not-to-exceed \$100,000 ("the maximum allocated amount"). District may not submit requests for payment before District has completed and submitted a W-9 Taxpayer Identification Number form and registered

online as a Pima County Vendor through County's Vendor Self Service System. County will only pay for services provided between the commencement date in Section 2. and the termination date.

- 7.1. District shall submit invoices to County using the form in **Exhibit B** (1 page). An authorized representative of District shall approve and sign all invoices. The invoice will include the following information:
 - 7.1.1. A summary report of monthly expenditures by expense categories as shown in the approved budget in **Exhibit A**.
 - 7.1.2. Copies of invoices and checks (front and back) to support all purchases of goods and services.
 - 7.1.3. For projects completed that month, photos showing completion and playground inspection reports, as required in **Exhibit A**.
 - 7.1.4. Any other documentation requested by County.
- 7.2. If District's invoices include adequate and accurate documentation, County will generally pay District within 30 days from the date County receives the invoice. Before paying District, County may first determine the acceptability and progress of work performed and determine the resulting entitlement to payment of each request for payment. In addition, County may liquidate funds available under this IGA for costs incurred by County on behalf of District. County may also deny reimbursement completely for requests for payment made later than six months after the last item of the account accrues. County may question any payment made under this Section 7.8 and require reimbursement by setoff or otherwise for payments that County determines were improper. District shall reimburse County for improper, unallowable, or unsubstantiated costs discovered as a result of audit or otherwise within 30 days following demand for reimbursement by County.
- 8. Audit Requirements. District shall establish and maintain a separate and identifiable account of all funds provided by County under this IGA. District shall also provide financial statement audits as required by law. Upon written notice from County, District shall provide a program-specific financial statement. The notice will identify the period to be covered by the statement and the deadline for District to complete and submit the statement. District shall ensure that any audit conducted pursuant to this IGA is performed by an independent certified public accountant and submitted to County within six months of completion of District's fiscal year unless a different time is specified by County. The audit submitted must include District's responses, if any, to audit findings. District is responsible for all costs for any audit required or requested pursuant to this Section 8., unless the cost was specifically included in the approved budget(s) under this IGA. District shall timely submit the required or requested audit(s) to:

The below Insurance Requirements are minimum requirements for this Contract and in no way limit District's indemnity obligations under this Contract. The County in no way warrants that the required insurance is sufficient to protect the District for liabilities that may arise from or relate to this Contract. If necessary, District may obtain commercial umbrella or excess insurance to satisfy the Insurance Requirements.

9.1. Insurance Coverages and Limits:

- 9.1.1. Commercial General Liability (CGL): Occurrence Form covering liability arising from premises, independent contractors, personal injury, bodily injury, broad form contractual liability and products-completed operations with minimum limits not less than \$2,000,000 Each Occurrence and \$2,000,000 General Aggregate.

 - 9.1.3.1. Workers' Compensation with Employers Liability limits of \$1,000,000 each accident and \$1,000,000 each employee disease. Workers' Compensation statutory coverage is compulsory for employers of one or more employees.
 - 9.1.3.2. Note: The Workers' Compensation requirement does not apply if District is exempt under A.R.S. § 23-901, and has executed the appropriate Pima County Sole Proprietor (Independent Contractor) Waiver form.

9.2. Additional Coverage Requirements:

- 9.2.1. <u>Insurer Financial Ratings</u>: Coverage must be placed with insurers acceptable to the County with A.M. Best rating of not less than A- VII, unless otherwise approved by the County.
- 9.2.2. <u>Additional Insured</u>: The General Liability policy must be endorsed to include Pima County and all its related special districts, elected officials, officers, agents, employees and volunteers (collectively "County and its Agents") as additional insureds with respect to liability arising out of the activities performed by or on behalf of the District. The full policy limits and scope of protection must apply to the County and its Agents as an additional insured, even if they exceed the Insurance Requirements.
- 9.2.3. Wavier of Subrogation: Commercial General Liability and Workers'
 Compensation coverages must each contain a waiver of subrogation in favor of
 County and its Agents for losses arising from work performed by or on behalf of the
 District.

- 9.2.4. <u>Primary Insurance</u>: The Required Insurance policies, with respect to any claims related to this Contract, must be primary and must treat any insurance carried by County as excess and not contributory insurance. The Required Insurance policies may not obligate the County to pay any portion of a District's deductible or Self Insurance Retention (SIR).
- 9.2.5. <u>Subcontractors</u>: District must either (a) include all subcontractors as additional insureds under its Required Insurance policies, or (b) require each subcontractor to separately meet all Insurance Requirements and verify that each subcontractor has done so, District must furnish, if requested by County, appropriate insurance certificates for each subcontractor.  - 9.3.1.2. A notation of policy deductibles or SIRs relating to the specific policy, and
 - 9.3.1.3. Certificates must specify that the appropriate policies are endorsed to include additional insured and subrogation wavier endorsements for the County and its Agents.
- 9.3.2. Each Required Insurance policy and appropriate endorsements must be in effect not less than fifteen (15) days prior to commencement of work under this Contract. A renewal certificate must be provided to County not less than fifteen (15) days prior to the policy's expiration date to include actual copies of the additional insured and wavier of subrogation endorsements. Failure to maintain the Required Insurance, or to provide evidence of renewal, is a material breach of this Contract.
- 9.3.3. County reserves the right to, at any time, require complete copies of any or all Required Insurance policies.
- 9.3.4. For cancellation of non-payment, Insurer is to provide County with written notice ten (10) days prior to cancellation of policy.

- 9.4. <u>Approval and Modifications</u>: The Pima County Risk Manager may approve a modification of the Insurance Requirements without the necessity of a formal Contract amendment, but the approval must be in writing. Neither the County's failure to obtain a required insurance certificate or endorsement, the County's failure to object to a non-complying insurance certificate or endorsement, or the County's receipt of any other information from the District, its insurance broker(s) and/or insurer(s), constitutes a waiver of any of the Insurance Requirements.
- 10. Indemnification. - 11. **Suspension.** County reserves the right to suspend District's performance and payments under this IGA immediately upon notice delivered to District's designated agent in order to investigate District's activities and compliance with this Agreement. In the event of an investigation by County, District will cooperate fully and provide all requested information and documentation. At the conclusion of the investigation, or within 45 days, whichever is sooner, District will be notified in writing that the IGA will be immediately terminated or that performance may be resumed.

12. Termination.

- 12.1. <u>Without Cause</u>: Either party may terminate this IGA at any time, without cause, by notifying the other party, in writing, at least 30 days before the effective date of the termination. In the event of such termination, the County's only obligation to District will be payment for services rendered prior to the date of termination.
- 12.2. <u>With Cause</u>: Either party may terminate this IGA at any time without advance notice and without further obligation if either party finds the other party to be in default of any provision of this Agreement.
- 12.3. Non-Appropriation: Notwithstanding any other provision in this IGA, this IGA may be terminated if for any reason the Pima County Board of Supervisors or the District does not appropriate sufficient monies for the purpose of maintaining this IGA. In the event of such cancellation, the parties will have no further obligations under this IGA other than for payment for services rendered prior to cancellation.

- 17. **Severability.** If any provision of this IGA, or any application of a provision to the parties or any person or circumstance, is found by a court to be invalid, that invalidity will not affect other provisions or applications of this IGA that can be given effect without the invalid provision or application.
- 18. **Legal Authority.** Neither party warrants to the other its legal authority to enter into this IGA. If a court, at the request of a third person, should declare that either party lacks authority to enter into this IGA, or any part of it, then the IGA, or parts of it affected by such order, will be null and void, and no recovery may be had by either party against the other for lack of performance or otherwise.
- 19. **Worker's Compensation.** Each party will comply with the notice of A.R.S. § 23-1022 (E). For purposes of A.R.S. § 23-1022, irrespective of the operations protocol in place, each party is solely responsible for the payment of Worker's Compensation benefits for its employees.
