Following is my comment for Board of Supervisors Meeting 8-2-22

## **Justice Services Item #29 \$110,000 CT JS-22-452**

John D. McArthur Foundation is again involved with more funds for more liberal projects. The funding for this position, as you indicated, has been vacant for more than one year. So why do you fund this now? Hasn't the McArthur Foundation been providing performance data on the SJC grant since 2016? Does this mean the Board of Supervisors has not bothered to request data on performance for a period of time? Do not fund this project until verifiable data has been provided showing past performance of our funds. Then consider how much "justice" and security is provided to Pima County by emptying our jails. Consider instead how to increase funds for protection of Pima County by funds to support our Sheriff and Police forces. **VOTE NO**
