I am Sharon Fickes, Pima County resident contact [REDACTED]  
Following is my comment on the Board of Supervisors' Meeting 08-15-22

## **Addendum Item #1 PRIMARY ELECTIONS**

Training program was insufficient, confusing and paperwork provided to attendees did not follow speakers' presentation. Mock Trial was not even close to what exists during the "real" election process. Inspectors need extensive training to lead others during the day of voting and provide a positive experience for voters. Ditch the E-Poll books, BOD, supporting equipment and Voting Centers. I want my legal vote to count: One day, one paper ballot, at my established Precinct.

**God Bless America**

consideration.

**Call to the Public**

**I am against your Resolution #44. You are trying to take away my Constitutional right. With the situation here in Southern Arizona more than ever, we need to be able to protect ourselves and our families. The drug cartel along with the illegal immigration is a threat to us here in Pima County. It's time to protect our border, stop the cartel, stop illegal immigration, illegal drugs, and sex trafficking. Enough said???**

**Addenda Item 12 D22-12 Supervisors Policy**

**Vote No to the item.** It seems you have plenty of money at your disposal. Seems like there might be better planning on your part. Do not shift the burden to the tax payers of this County.

**Agenda Item 14 Legislative Agenda Resolution #45**

**No on this Resolution**

**Addendum Item 1 - Primary Elections**

**I have heard so many complaints about the primary elections. I want my vote to count. One day, one paper ballot at my established precinct.**

**Addendum Item #2 Monkeypox**

**No more mandates.**

**Addendum Procurement Item #3 - Award to World Dinning LLC**

**Eliminate this award. I want to see money go to providing for the homeless, mentally ill, and drug addicted Americans on our streets.**

Thanks you for your consideration of my concerns.
