***Project Title/Description:**

Housing Support Services grant funds from the Arizona Department of Economic Security (ADES)

***Purpose:**

Pima County Community & Workforce Development Department provides homeless prevention assistance and short-term rapid rehousing rental assistance for long-term homeless residents to stabilize before moving into permanent housing. Funding comes from state and federal sources, including Emergency Solutions Grant and Temporary Assistance for Needy Families.

Program participants are placed in an emergency shelter to stabilize and then are placed into permanent housing within thirty days of entering the program. Throughout the course of the program, case managers work with participants to overcome barriers to self-sufficiency, including substance abuse treatment and finding work. After clients find work, they begin to contribute toward their rent with the goal of becoming self-sufficient within six months and not returning to homelessness.

This amendment is to add \$363,631.00 for FY2023.

Indirect rate cost: 10%

Attachments: ADES18-206221 Amendment 6 and Resolution

***Procurement Method:**

Not applicable to grant awards.

***Program Goals/Predicted Outcomes:**

The goal is to provide rapid rehousing for 50 individuals/households and eviction prevention for 25 households.

***Public Benefit:**

This program aims to end or prevent homelessness, primarily through employment. After completing the program, participants will become self-reliant, which will reduce costs on emergency and medical systems.

***Metrics Available to Measure Performance:**

The grant requires program participant information and services provided be entered in the Homeless Management Information System (HMIS).

***Retroactive:**

Yes, due to receiving the amendment from the State on September 7, 2022. If this amendment is not approved, Pima County homeless residents may not receive rental assistance.
