***Project Title/Description:**

Housing Support Services grant funds from the Arizona Department of Economic Security (ADES)

***Purpose:**

Pima County Community & Workforce Development Department provides homeless prevention assistance and short-term rapid rehousing rental assistance for long-term homeless residents to stabilize before moving into permanent housing. Funding comes from state and federal sources, including Emergency Solutions Grant and Temporary Assistance for Needy Families.

Program participants are placed in an emergency shelter to stabilize and then are placed into permanent housing within thirty days of entering the program. Throughout the course of the program, case managers work with participants to overcome barriers to self-sufficiency, including substance abuse treatment and finding work. After clients find work, they begin to contribute toward their rent with the goal of becoming self-sufficient within six months and not returning to homelessness.

This amendment is to extend the performance period to 7/1/22-6/30/23.
