RE: 11/1/22 Board Agenda – RTA, County Projects

A handwritten signature in dark ink, appearing to be "M. Heinz", is written over the "To:" and "From:" lines of the memo.

Please add this item to the Addendum Agenda for the 11/1/22 Board Meeting. Thank you.

Board of Supervisors:

Discussion/Direction/Action: It shall be the position of the Pima County Board of Supervisors that we want the remaining two unfinished County projects that have been recommended to be pushed back to RTA Next 1st Avenue, Orange Grove to Ina Road; and the final phase of Silverbell, Ina to Grant Road -- to be instead brought back for programming and implementation, or at least partial implementation for safety improvements during RTA 1.

Further directing Sup. Scott to consult with the Board of Supervisors before agreeing to any proposed substantive changes in the County's RTA projects, concerning either RTA 1 or RTA Next.
