RE: 11/1/22 Board Agenda – PAG/RTA Executive Director, 360-Degree Review

Please add this item to the Addendum Agenda for the 11/1/22 Board Meeting. Thank you.

Board of Supervisors:

Discussion/Direction/Action: The position of Pima County shall be that the "360-Degree Review" of the PAG/RTA Executive Director, Farhad Moghimi, must be conducted and completed by December 31, 2022, with the resulting report made to the PAG Regional Council/RTA Board of Directors at their January, 2023 meeting.

The idea of doing a 360-degree, comprehensive review of the executive director's job performance was approved by the PAG Regional Council early in 2022. Yet as of today, it has not happened.

Such a review should include confidential feedback from, among other critical stakeholders, current and former PAG staff members who have served under Mr. Moghimi, as well as members of:

- The RTA Technical Management Committee (TMC) representing the City of Tucson, Pima County, and private community stakeholders;
- The RTA Citizens Accountability for Regional Transportation Committee (CART);
- The RTA Citizens Advisory Committee (CAC); and
- The PAG Transportation Planning Committee (TPC).
