Consent Calendar Item #7: Procurement: SJM Premier Medical Group, L.L.C., Amendment No. 5, to provide for COVID-19 medical support for refugee populations and amend contractual language, FEMA/EFSP/CARES Fund, contract amount \$1,500,000.

To all BOS members,

I would like to remind you, you are all public servants and are supposed to be representing the tax paying public's best interest. Instead of spending more on housing, food, transportation and COVID-19 medical care for "asylum seekers" and illegal immigrants, the Board should start spending this money on Pima County residents that need humanitarian relief instead of prioritizing the "non-citizens" first.

Sincerely,
Connie Stanton

Subject: Calendar Item #7 - COVID Support - Not needed

[REDACTED]

Dear Pima County Board of Supervisors,

Regarding Consent Calendar Item #7: Procurement: SJM Premier Medical Group, L.L.C., Amendment No. 5, to provide for COVID-19 medical support for refugee populations and amend contractual language, FEMA/EFSP/CARES Fund, contract amount \$1,500,000.

Please stop the craziness about COVID-19! No more funding is needed for COVID as the President himself said, "COVID Is Over." Whatever variant from this point forward is minor and certainly not a threat to the young, healthy "asylum seekers" that we are seeing crossing our borders. This is unnecessary and a misuse of taxpayer funds.

Please remember that you are public servants who are supposed to be representing the public's best interest (like fixing the neighborhood roads) instead of spending more on housing, food, transportation and COVID-19 medical care for "asylum seekers." Start spending this money on Pima County residents that need humanitarian relief instead of prioritizing the "asylum seekers" first.

Thank you,
Linda & Roger Goode

Please post my comment to official record for the next Pima Co Board meeting, Nov 1, 2022.

RE: Consent Calendar Item #7: Procurement: SJM Premier Medical Group, L.L.C., Amendment No. 5, to provide for COVID-19 medical support for refugee populations and amend contractual language, FEMA/EFSP/CARES Fund, contract amount \$1,500,000.

Pima Co Board members, you and City Council members are going against Arizona laws and statues.

Remember in 2019, 70% of voters said NO to becoming a Sanctuary City. People rightfully concluded and we see evidence now,

that it is inviting crime, human trafficking, drug overdose deaths (100,000 a year), and murders. Due to your unwise decisions,

we are now nr. 10 on the FBI's list of most dangerous cities. You make decisions during executive sessions without citizens knowledge.

You are colluding with Federal Government behind State agencies by signing contracts for multi- million-dollar grant monies (our taxes)

to subvert state laws and statues. WE DO NOT CONSENT! You are treating FOREIGNERS better than your constituents.

Please spend our tax monies for our homeless and less advantaged citizens. You are disseminating our taxpayer monies

like drunken sailors. See grants MA-PO-22-84 and MA-PO-21-171 for \$6,700,00.00 (housing illegals) and \$1,050,000.00 (transporting illegals).

Shame on you for propagandizing COVID shots to unsuspecting minorities (REACH program). \$100,000.00 (CT-HD-21-470) and CDC grant

GTAM 23-22 for \$1,151,882.00. Seems a major conflict of interest and potential racketeering.

MM

Now you decide to spend additional \$1,500,000 to procure COVID-19 medical supplies for illegal border crossers.

You treat these people disproportionately better than Americans! Shame on you.

I propose an AUDIT by the AUDITOR GENERAL or the INSPECTOR GENERAL.

Gisela Aaron

Pima County, AZ

NOTE: Customs and Border Patrol report that over 4.1 million illegal border crossers have entered our country since 2021.

Of those, 31 were Iranian Revolutionary Guardsmen and 78 were on the Terror Watch List. One million have evaded Border Patrol

and got away! Since 2021 to today, 2,626,009 single adults have invaded the US. Single adults that are nearly double the size of our

active-duty military. We do not consent to them being here! Each illegal border crosser costs us taxpayer \$120,000 per person.

We do not consent to spending our taxes this way.

Again, in 2019, nearly 70% of Tucsonans voted against becoming a Sanctuary City. The Board of supervisors and activist mayor and

her friends and family on the City Council have blatantly disregarded voter will. Defying our laws and spending our taxes without

due care or diligence. You are bankrupting America! SHAME ON YOU BACK-ROOM DEAL MAKERS!
